Scholarship Information

The 2015-2016 Stockton Unified School District “Catalogue” of Scholarships (local, regional, specific, and national) listed herein and on the following websites, is useful and recommended for ALL high school students. Knowledge of the availability of scholarship monies and assistance is particularly helpful for counselors/advisors, teachers, parents and students in helping ALL students set goals and find available means to help achieve those goals! This information and the knowledge of availability of funds should serve to strengthen the academic portion of a comprehensive guidance and counseling program (Grades 10th thru 12th) for students. It is never too soon to research, encourage, and assist our youth toward meaningful and successful futures in school and beyond!
