**Good morning Delta Kings and Queens!
Please stand for the Pledge of Allegiance
I pledge allegiance to the Flag
of the United States of America,
and to the Republic for which it stands:
one Nation under God, indivisible,
With Liberty and Justice for all...**

Students, if you miss anything in these bulletins, you can find a copy posted outside of the library and by K3 in the display cases and all of your teachers have access to them through GoogleDocs in the StagShare folder. Staying informed makes your High School years the best they can be!

Students, tomorrow is our first minimum day. Last class is over at 11:49, when lunch will be served. At 12:25, students who are not involved with an activity will be asked to leave campus. Those who are involved in an activity must go to the area designated by their coach or advisor.

Students, also beginning tomorrow you are not allowed to park in the West parking lot. You can only park in the Rose Marie parking lot.

Attention all students and staff who have not had their picture taken for IDs. The make-up date will be Thursday August 25th. You will notice that the IDs are color coded this year to your class color. Seniors are green, Juniors are black, Sophomores are purple and Freshmen are Orange. These are the colors you are to wear any time we do a class color spirit day. You are expected to dress appropriately for school every day, and to wear your IDs every day.

Attention all club advisors, there is a mandatory advisor's meeting for ALL club advisors today. There will be 2 meetings to accommodate your schedules: One at lunch in K1 and one starting after school at 2:30 in K1. We will discuss everything you need to know this year and everything about Club Rush which is September 2nd. Club Charter packets are also ready. You must be chartered in order to be a club on campus. Contact Coach Berg for one ASAP.

Attention students, if you have not turned in your emergency card please drop it off at the Health Center which is room E2. We can not send you home without one on file. If you did not receive one in the mail over the summer, you can pick one up in the Health Center. All staff have access to the list if you aren't sure if you have yet, please check with them.

If you have a job, you also need a Work Permit. It's against the law for a minor to work without a Work Permit in California. Work permits must be obtained at the start of a new job and renewed at the start of each new school year. *All current work permits expire on or before Friday, August 19th, and must be renewed.*

Students who have a job may be eligible to enroll in Work Experience Education, an elective course which combines paid employment with classroom instruction. Work Experience students meet with Ms. Yescas, our Work Experience Coordinator, once a week at school and can earn up to 10 credits per semester and a total of 20 credits per year. If you are interested in finding a job, Ms. Yescas can assist you with job leads, creating a resume, and developing the skills you need to get and keep a job.

If you need to renew your work permit or would like more information about Work Experience Education, stop by main office to see Ms. Yescas before school, during lunch or after school. The Work Experience office has moved and is now located in the Counseling Center, across from Mrs. Klopstock.

CSU Sacramento, CSU Stanislaus and UC Santa Cruz will be on campus, come to the Career Center to sign up.

Applying at Delta College and need help? Come see us in the Career Center during lunch or after school.

Today we celebrate the letter P in Stagg PRIDE which stands for Personal Responsibility with a quote from Lou Holtz:

"The man who complains about the way the ball bounces is likely to be the one who dropped it."

And Always Remember: Stagg PRIDE INSIDE!
