

To create a new Hero account, please follow these steps:

- 1) Go to <https://access.heropowered.com/student/login> to create a user name and password.

The screenshot shows a web form titled "Create a new Hero Account" with a progress indicator "STEP 1" and three dots. The instructions read: "Start by entering the email address you use at school and then select a password that you will remember. Already have an account? [Login here.](#)" Below the text are three input fields labeled "Email Address", "Password", and "Confirm Password". At the bottom is a blue button labeled "CREATE USER".

- 2) Click Add Student

- 3) Enter the activation key and your student's ID #. Click Add Student to finalize the account.

The screenshot shows a dialog box titled "Add Student" with a close button in the top right corner. It contains two input fields: "Activation Key" and "Student ID". At the bottom, there is a blue button labeled "ADD STUDENT" and a "Close" link.

- 4) To check your student's Hero behavior history or point values, go to <http://access.heropowered.com> or use the convenient Hero app (itunes store or Google Play store - Search for "Hero k12"). Parents who download and log-in through the Hero app will receive instant notifications whenever their student's Hero behavior is recognized.
