

# ALL ABOUT MR. X

ELA/ELD Instructor, English Department Chair, ELP Site Coordinator, eSports Coach

## WHO IS MR. X?

I started my teaching career here at Merlo and have loved being part of the Merlo family. After receiving my Bachelor's in English from CSU Chico, I explored a number of careers in various fields before finding my true calling in education. I feel that Merlo is a school that is on the rise and am so happy to be a part of this team. I live here in Stockton with my wife and two sons.

## ESPORTS AND GAME CLUB

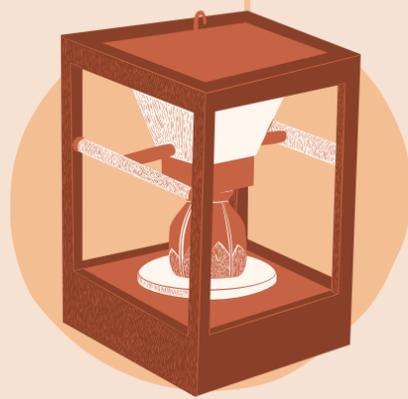

I am proud to serve our students as Merlo's eSports coach and Game Club Advisor. Come visit us at lunch in Room 14 for fun and games or challenge yourself by trying out for our Valorant or Rocket League team. Learn more about the league [here](#).

## TECH IN THE CLASSROOM

I strive to find ways for all of my students to succeed. In order to fulfil the vision and mission of Merlo Institute I have implemented a variety of tech tools in my classroom. Even if you currently do not have my class, feel free to stop by Room 14 to see how you can best use tech to supercharge your education.

## HOBBIES

When I am not teaching, I enjoy rock climbing, aviation, 3d printing, VR gaming, and weightlifting. Cultivating your hobbies is a great way to explore your interests and possible careers. I highly encourage all students to pursue what they love and try new hobbies.

## CONTACT ME

There are several ways to get ahold of me:

Email - [wxenos@stocktonusd.org](mailto:wxenos@stocktonusd.org)  
Google Voice (call or text) - (209) 250-3768  
Parentvue, Studentvue, and Google classroom - Use the integrated message features
