

Stockton Unified SCHOOL DISTRICT

Specialty & Charter Open Enrollment 2022-2023

The Specialty and Charter School Fair will take place virtually this school year. If you are interested in attending a specialty school or district dependent charter, please review the brochure and application requirements for each school. Use the link below or scan the QR code to select a school of interest and review their portfolio beginning February 7th.

For timelines and selection process for non-lottery schools of interest please check their school brochures to ensure the application process is followed and meets the required deadline.

There are seven elementary schools that implement a random selection process using a lottery system: Primary Years Academy, Hazelton, Kohl, Fremont, Commodore Skills, Taft, and Hong Kingston. Please use the link below for an application

Important Dates: Specialty Application for Random Selection Sites:

February 7: Online application period opens for the 2022-2023 school year

March 8: Online application period closes at 4:00 p.m. for random selection sites

March 15: Lottery selection processing and posting begins at 10:00 a.m.

After April 1: Confirmation of the status of the application information is emailed or mailed to applicants

As openings are available, applicants in the random selection will be placed in schools. Other applicants will be on a waiting list as determined by the random selection process. Applications received after March 8, 2022 will be added to a second round wait list.

For timelines and selection process for all schools please check their school websites/brochures to ensure the application is completed before the required deadline.

The second round application window will open March 28th with the list of schools and grade levels that still have space following the first round lottery.
