Great Things

Are Happening at Peyton School

Thank you to Counselor Olivas and Ms. Helan for presenting at our Parent Coffee Hour last week about student mental health. The parents that attended appreciated the information.

Congratulations to our 2020-2021 School Site Council members. This year's council consists of Kathy Green (Other Staff), Shamsa Khan (Teacher), Kathy Toon-Origer (Teacher), Susan Meath (Teacher), Robert Green (Parent of Kayla and Kylee Green), Lorena Martinez (Parent of Juliet and Lorena Martinez), Vanna Uy (Parent of Petri Vanna), Cynthia Richardson (Parent of Renee, Rose & Ryder Richardson), and Sara Antillon (Parent of Adam Altes). A big thank you to all staff that nominated a colleague, were willing to participate on our SSC, and/or participated in the voting process.

Important Announcements

We still have plenty of hot spots for student distribution if your students need one. Their parent just needs to sign the liability waiver and come by to pick it up in the office.

At our next Leadership meeting we will be discussing our return to school plan. Please let your grade level rep know your concerns, questions, and ideas for a safe return to school. There can be no more than 16 individuals in a classroom at this time.
