25 Books in 25 Weeks Challenge!

#SUSDStories

Dear Parent(s) and/or Guardians,

Stockton Unified is launching the 25 Books in 25 Weeks Challenge. Our hope is that all students preschool-12th grade will create a personal goal of reading twenty-five books in twenty-five weeks. In order to complete this goal, it is important that they read each night.

Furthermore, Research has found that students who read for at least thirty minutes every night are often your top achievers in school; we want your child to be successful in school, while also developing a life-long love of reading. This challenge will help your child achieve both goals!

In order for a child to achieve this challenge, it is important that they have support at home. Listed are ways that you can help:

- Encourage your child to read daily.
- Celebrate their reading accomplishments. It is OKAY that they do not achieve the 25 Books in 25 Weeks Challenge. If you know that your child only read two books last year, and this year they read five, that is great growth and should be celebrated.
- Talk about books. Share the favorites that you had as a child.
- Read too! Parents can take this challenge as well.
- Take your child to the library (or bookstore) to explore new and exciting titles.

Please sign up your child at www.stocktonusd.net/25in25 today. Once your child has completed the reading log, they may turn it into their child's teacher.

Thank you for your support! Should you have any question please contact the Community Relations Department at (209) 933-7025.

Desafío: ¡25 Libros en 25 Semanas!

#SUSDStories

Estimados Padres o Tutores,

Stockton Unificado ha lanzado su ‘Desafío 25 Libros en 25 Semanas’. Esperamos que todos los estudiantes, desde el preescolar al 12º grado se fijarán una meta personal, de leer doce libros en doce semanas. Para lograr este objetivo es importante que estos lean por lo menos 30 minutos cada noche.

Además, los estudios revelan que los estudiantes que leen por al menos treinta minutos cada noche son, muchas veces, los más aventajados en la escuela; queremos que a su chico no solo le vaya bien en sus estudios, sino que desarrolle amor por la lectura por el resto de sus vida ¡Este desafío ayudará a su hijo a alcanzar ambas metas!

Para que un estudiante triunfe en este desafío, es importante que cuenten con respaldo en su casa. Esta es una lista de cosas con las que usted puede ayudarle:

- Motive a que su chico lea cada día.
- Aplauda sus logros de lectura. No es malo que no lleguen a los 25 libros en 25 semanas. Si sabe que su niño leyó solo dos libros el año pasado y este año leyó cinco, eso es ya un gran avance y debiese ser celebrado.
- Hable sobre libros. Cuénteles cuáles eran sus favoritos cuando era niño.
- ¡Lea usted también! Los padres pueden también participar en este Desafío.
- Lleve a su estudiante a la biblioteca (o a una librería) a explorar nuevos e interesantes libros.

Inscriba hoy mismo a su chico en www.stocktonusd.net/25in25. Una vez que su hijo haya completado su registro de lecturas, puede entregárselo a su maestro.

¡Gracias por su respaldo! Si tuviese alguna pregunta no dude en comunicarse con el Departamento de Relaciones Comunitarias al (209) 933-7025.
