Dear SUSD Families and Students,

Beginning Monday, March 23rd, Stockton Unified School District will be providing breakfast and lunch meal pick-up for any child 18 and under while classes are canceled.

The meals will be offered as a drive-thru service. Families and children should remain in their vehicles and follow direction from school staff on site.

Meals will also be available to families who walk to their nearest site for meal pickup; however, there will not be any space available to eat the meals at the school and families should plan to eat the meals at home.

Children MUST be present (and in sight of Child Nutrition Services staff) to receive the meals.

Children will be provided with a lunch for the current day and a breakfast for the following day.

Meals will be available Monday – Friday between 11:30AM and 12:30PM at the sites listed below*. Families and students should pick up meals from the site nearest them.
