SUSD Class Cancellation Extended Through Friday, April 17
Extension Follows Recommendation by San Joaquin County Superintendent of Schools

(Stockton, CA) – In accordance with the recommendation announced today by the San Joaquin County Superintendent of Schools, Stockton Unified will be extending its cancellation of classes to help stop the spread of the novel coronavirus (COVID-19). All PK-12 and adult classes and school-related activities in SUSD are canceled through Friday, April 17th, 2020.

The district is prepared to continue supporting student instruction with distance-learning academic plans. Meals will also continue to be available for students. More information surrounding the logistics are available on our website at www.stocktonusd.net/COVID-19.

The recommendation by San Joaquin County Superintendent of Schools James Mousalimas follows public orders to stay at home issued by the Governor of California on March 19 and by San Joaquin County's Public Health Officer and its Emergency Services Director on March 21.

Stockton Unified will continue to monitor the development of COVID-19 (coronavirus) and will plan accordingly, in partnership with local, state, and federal health and government officials. For the most accurate, up-to-date information from SUSD regarding the pandemic, please check the District website at www.stocktonusd.net/COVID-19.
