Social Distancing Practices and Meal Pickup Procedure

Whether you drive or walk to the site, the following procedures will be in place:

- Staff will ask the number of children you are picking up meals for,
- Staff will place the meals at the end of a table or cart,
- After the staff have moved to the opposite end of the table or cart, the parent/guardian can approach the table or cart and pick up the meals,
- The parent/guardian should not touch the table.

Thank you,

Dr. John E. Deasy, Superintendent
