NONDISCRIMINATION IN EMPLOYMENT

The Board of Trustees is determined to provide a safe, positive environment for all District employees and strives to provide all employees full and equal employment access and opportunities, protection from unlawful harassment and intimidation, and freedom from any fear of reprisal or retribution for asserting their employment rights in accordance with law. For purposes of this policy, "employees" include job applicants, and interns, volunteers. District employees are prohibited from discriminating against or harassing any coworker, supervisor, manager, volunteer, intern, student, or other person with whom the employee comes in contact in the course of employment, on the basis of the person's actual or perceived race, color, ancestry, national origin, age, religious creed, marital status, pregnancy, physical or mental disability, medical condition, genetic information, military and veteran status, sex, sexual orientation, gender, gender identity, gender expression, or association with a person or group with one or more of these actual or perceived characteristics (collectively referred to as "protected classifications").

The District shall not inquire into any employee's immigration status nor discriminate against an employee on the basis of immigration status, unless there is clear and convincing evidence that it is necessary to comply with federal immigration law. (2 CCR § 11028)

Discrimination in employment based on the characteristics listed above may include:

- 1. Discrimination based on a protected classification in hiring, compensation, terms, conditions, and other privileges of employment;
- 2. Unwelcome conduct based on a protected classification, whether verbal, physical, or visual, that is so severe or pervasive as to adversely affect an employee's employment opportunities, or that has the purpose or effect of unreasonably interfering with the individual's work performance or creating an intimidating, hostile, or offensive work environment;
- 3. Discrimination based on an employee's pregnancy, childbirth, breastfeeding, or any related medical condition or on an employee's gender, gender expression, or gender identity, including transgender status;
- 4. Discrimination based on an employee's religious belief or observance, including religious dress or grooming practices;
- 5. Discrimination against an employee based on the employee's actual or perceived mental

disability, physical disability, or medical condition;

6. Failure to make reasonable accommodation for an employee's known physical or mental disability, unless the employee is unable to perform the essential functions of his or her position, with or without reasonable accommodations; BP 4030

7. Failure to engage in a timely, good faith, interactive process with an employee with a known disability who has requested such accommodations in order to determine the effective reasonable accommodations, if any, to be provided to the employee.

The District also prohibits retaliation against any District employee who opposes any discriminatory employment practice by the District or its employees, agents, or representatives by filing a complaint, testifying as a witness, assisting, or otherwise participating in the District's complaint process pursuant to this policy. No employee who requests an accommodation for his/her disability or religious beliefs shall be subjected to any punishment or sanction for making the request, regardless of whether the request was granted. (Government Code § 12940; 2 CCR § 11028)

Complaints alleging sexual harassment as defined by Title IX of the Education Amendments of 1972 shall be promptly investigated and resolved in accordance with AR 4119.3/4219.3/4319.3 – Sexual Harassment. All other complaints concerning discrimination, harassment, or retaliation against any District employee shall promptly be investigated in accordance with procedures specified in District BP/AR 1312.1 – Complaints Concerning District Employees unless the complaint fits the scope of BP/AR and 1312.3 – Uniform Complaint Procedures.

Any supervisory or management employee who observes or has knowledge of an incident of prohibited discrimination or harassment, including harassment of an employee by a nonemployee, shall report the incident to the Superintendent or designated District coordinator as soon as practical after the incident. All other employees are encouraged to report such incidents to their supervisor immediately.

The Superintendent or designee shall use all appropriate means to reinforce the District's nondiscrimination policy, including providing training and information to employees about how to recognize harassment, discrimination, or other related conduct, how to respond appropriately, and components of the District's policies and regulations regarding discrimination. The Superintendent or designee shall regularly review the District's employment practices and, as necessary, shall take action to ensure District compliance with the nondiscrimination laws.

Any District employee who engages in prohibited discrimination, harassment, or retaliation or who aids, abets, incites, compels, or coerces another to engage or attempt to engage in such behavior in violation of this policy shall be subject to disciplinary action, up to and including dismissal.
