

ESY Addendum

to the 2021 Summer Learning Academy MOU of May 13, 2021
between Stockton Unified School District
and Stockton Teachers Association

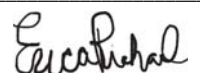

The 2021 Summer Learning Academy Memorandum of Understanding (“MOU”) between Stockton Unified School District (“District”) and Stockton Teacher Association (“Association”) shall have the following section added, subject to the same limitations and provisions of that MOU:

17. Parallel Programs: Extended School Year (“ESY”)

- a. Sections 1 through 6 of this MOU shall apply to ESY. This includes COVID mitigation protocols such as social distancing.
- b. For compensation, the parties recognize that Sections 7 and 13.a apply to ESY. The compensation provisions of Section 7 apply regardless of the teacher’s start date.
- c. Sick leave provisions for ESY shall follow past practice for ESY.
- d. Section 8 (“Class Size”) of this MOU applies to ESY in its entirety, except that overages shall apply to ESY class sizes greater than fourteen (14) following contractual practice for student days of enrollment. Accordingly:
 - i. ESY classes shall either be in-person-instruction (IPI) or distance learning (DL), never combined/hybrid.
 - ii. Any ESY teacher’s assignment (including the assignment being IPI or DL) may be modified only by mutual consent of the District and involved teacher(s), subject to District consultation with the Association.
 - iii. DL assignments shall parallel non-remote SLA provisions (*i.e.*, DL sections are taught by the teacher from on-District-site during work hours).
- e. ESY offerings (inclusive of hours, curriculum, and hiring criteria) remain distinct from the Summer Learning Academy (“SLA”) as initially indicated in the District’s posting: <https://www.stocktonusd.net/cms/lib/CA01902791/Centricity/Domain/151/2021%20ESY%20Posting.pdf>
- f. The District reserves the right to add new assignment offerings with distinct dates and/or hours based on student need.
- g. Job sharing shall apply to ESY subject to mutual consent of the District and the teachers involved. This includes two teachers job-sharing with one teaching a DL section and the other an IPI section, and/or swapping assignments, and/or swapping students.
