Dear Preschool Teachers and Assistants,

I hope this communication finds you safe and healthy. The ECE department has scheduled our preschool teachers and assistants training on October 10, 2022 at the *San Joaquin County Ag Center, 2101 E Earhart Ave #100, Stockton, CA 95206*. The day's training schedule will begin promptly at 8:00 AM and end at 2:30 PM. The schedule includes breaks between sessions and an hour lunch. Staff members will be able to submit a timesheet for hours attended beyond their regularly scheduled work hours.

The October trainings will be offered in a format similar to a conference style. A total of four sessions will be presented throughout the day. Due to limited available room space at the Ag-Center, participants will remain in the same assigned room throughout the day while the trainers will rotate into each room. The session titles are as follows:

**Communication and Developmentally Appropriate Practices, Coping Strategies and Trauma Coregulation Skills, ELD- Listening and Speaking, and Parent Engagement.** Below is snapshot of the day's schedule. Please see your sites assigned room listed below.
