

STOCKTON UNIFIED SCHOOL DISTRICT

REQUEST FOR PROPOSAL No. 974 FRESH PRODUCE

Request for Information No. 4 Dated: June 5, 2018

1. Question: The bid forms you provided are locked and we would like to quote pricing for alternate items and or multiple flavors/varieties, can you confirm how you would like that quoted?

Answer: All items listed on Appendix are required to meet menu production for School Year 2018/2019 and must be quoted. The appendix does allow packaging discrepancies and bidders are encouraged to bid their most competitive pricing while ensuring their ability to perform. If a bidder so desires, they may submit a list and pricing of additional items to be considered for the contract, but no consideration for these items will be given for award of bid.
