Competence in Evaluation of Teachers

Administrators assigned to evaluate teachers must have demonstrated competence in instructional methodologies and evaluation and must be certified by the board as having met district criteria for competence in evaluation. The superintendent or designee shall recommend qualified evaluators to the board.

Competence in evaluation shall be a factor in the evaluation of administrators who are assigned to evaluate teachers.

(cf. 4315 Evaluation/Supervision)

This policy shall be reviewed annually by the board. *(Education Code 35160.5)*
