

Students

Specialized Health Care Services

The Governing Board is aware that some district students may require specialized physical health care services during the school day in order to attend school. In accordance with the student's individualized education program or written accommodation plan, trained and qualified personnel shall perform these services under the supervision of a school nurse, public health nurse or licensed physician.

(cf 0430 – Comprehensive Local Plan for Special Education)
(cf. 6164.6 – Identification and Education under Section 504)
