

Students

Immunizations

To protect the health of all students and staff and to curtail the spread of infectious diseases, the Governing Board desires to cooperate with state and local health agencies to encourage and facilitate immunization of all district students against preventable diseases.

(cf. 1400 - Relations between Other Governmental Agencies and the Schools)

(cf. 5141.22 - Infectious Diseases)

(cf. 5141.26 - Tuberculosis Testing)

(cf. 6142.8 - Comprehensive Health Education)

Each student enrolling for the first time in a district elementary or secondary school, preschool, or child care and development program shall present an immunization record from any authorized private or public health care provider certifying that he/she has received all required immunizations in accordance with law. Students shall be excluded from school or exempted from immunization requirements only as allowed by law.

(cf. 5112.1 - Exemptions from Attendance)

(cf. 5112.2 - Exclusions from Attendance)

(cf. 5141.32 - Health Screening for School Entry)

(cf. 5148 - Child Care and Development)

(cf. 5148.3- Preschool/Early Childhood Education)

Each transfer student shall be requested to present his/her immunization record upon registration at a district school.

However, when necessary, a transfer student may be conditionally admitted for up to 30 school days while his/her immunization records are being transferred from the previous school. If these records do not arrive within 30 school days, the student shall present written documentation by an authorized health care provider showing that the required immunizations were received. If such documentation is not presented, the student shall be excluded from school until the required immunizations have been administered. (17 CCR 6070)

(cf. 6173 - Education for Homeless Children)

(cf. 6173.1 - Education for Foster Youth)

(cf. 6173.2 - Education of Children of Military Families)

The Superintendent or designee may arrange for an authorized health care provider to administer immunizations at school to any student whose parent/guardian has consented in writing. At the beginning of the school year, parents/guardians shall be notified of their right to provide consent
