Suspension and Expulsion/Due Process

The Governing Board desires to provide District students access to educational opportunities in an orderly school environment that protects their safety and security, ensures their welfare and well-being, and promotes their learning and development. The Board shall develop rules and regulations setting the standards of behavior expected of District students and the disciplinary processes and procedures for addressing violations of those standards, including suspension and/or expulsion.

(cf 5131.1- Bus Conduct)

(cf 5131.2 Bullying)

To correct the behavior of any student who is subject to discipline, the Superintendent or designee shall, to the extent allowed by law, first use alternative disciplinary strategies specified in AR 5144.1 – Discipline. (Education Code 48900.5)

(cf 1020 – Youth Services)

(cf 5138 – Conflict Resolu

(cf. 6145 - Extracurricular and Cocurricular Activities)

Alternatives to suspension or expulsion also shall be used with students who are truant, tardy, or otherwise absent from assigned school activities.

(cf 5113– Absences and Excuses)

(cf 5113.1 – Chronic Absence and Truancy)

Except for single acts of grave nature or offenses for which suspension or expulsion is required by law, suspension or expulsion shall be imposed only when other means of correction have failed to bring about proper conduct or the student's presence causes a continuing danger to himself/herself or others. (Education Code 48900.5)

(cf 5131.7 – Weapons and Dangerous Instruments)

Students

Suspension and Expulsion/Due Process

Expulsion is an action taken by the Board for severe or prolonged breaches of discipline by a student. Except for single acts of a grave nature, expulsion shall be used only when there is a history of misconduct, when other forms of discipline, including suspension, have failed to bring about proper conduct, or when the student's presence causes a continuing danger to self or others.

The grounds for suspension and expulsion and the procedures for considering, recommending and/or implementing suspension and expulsion shall be those specified in law and/or administrative regulation.

Due Process

The Board shall provide for the fair and equitable treatment of students facing suspension and expulsion by affording them their due process rights under the law. The Superintendent or designee shall comply with procedures for notices and appeals as specified in administrative regulation and/or law. (Education Code 48911, 48915, 48915.5)

(cf. 5119 - Students Expelled from Other Districts)

(cf. 5144.2 - Suspension and Expulsion/Due Process (Individuals with Disabilities))

Supervised Suspension Classroom

The Board recognizes that students who are suspended from school often have no supervision or guidance during the school hours when they are off campus and may fall behind in the coursework. The Board believes that, in many cases, it would be better to manage the student's behavior by keeping the student at school and providing him/her with supervision that is separated from the regular classroom.

The Superintendent or designee may establish a supervised classroom suspension program which meets the requirements of law for students suspended for any of the reasons enumerated in Education Code 48900 and 48900.2, who pose no imminent danger or threat at school, and for whom an expulsion action has not been initiated.

Except where a supervised suspension is permitted by law for a student's first offense, supervised suspension shall be imposed only when other means of correction have failed to bring about proper conduct. Education Code 48900.5)

Removal From Class and Required Parental Attendance

When suspending a student from class for committing an offense act, engaging in habitual profanity or vulgarity, disrupting school activities, or otherwise willfully defying valid staff authority, the teacher of the class may require any parent/guardian who lives with the student to attend a portion of the school day in the class from which the student is being suspended, to assist in resolving the classroom behavior problems.(Education Code 48900.1)

Teachers should reserve the option of required parental attendance for case in which they have determined that it is the best strategy to promote positive interaction between the teacher and the student and his/her parents/guardians and to improve the student's behavior.

The Board believes that parental involvement plays an important role in the resolution of classroom behavior problems. The Board expects that teachers will communicate with parents/guardians when behavior problems arise.

Before requiring parental attendance, the teacher shall make reasonable efforts to have the parent/guardian visit the class voluntarily. The teacher also may inform the parent/guardian about available resources and parent education opportunities. Teachers should reserve the option of required parental attendance for cases in which they have determined that it is the best strategy to promote positive interaction between the student and the parent/guardian and to improve classroom behavior.

The teacher shall apply this policy uniformly to all students within the classroom. This policy shall apply only to a parent/guardian who lives with the student. (Education Code 48900.1)

When a teacher requires parental attendance, the principal shall send a written notice to the parent/guardian stating that his/her attendance is pursuant to law. (Education Code 48900.1)

The notice shall specify that the attendance may be on either the date the student is scheduled to return to class or within one week thereafter.

A parent/guardian who has received a written notice shall attend class as specified in the notice. After completing the classroom visit and before leaving school premises, the parent/guardian also shall meet with the principal or designee. (Education Code 48900.1)

Students

Suspension and Expulsion/Due Process

At the meeting with the student's parent/guardian, the principal or designee shall explain the district's and school's discipline policies, including the disciplinary strategies that may be used to achieve proper student conduct.

The principal or designee shall contact a parent/guardian who does not respond to the request to attend school. When a parent/guardian does not respond to the request to attend school, the principal or designee shall contact him/her by telephone, mail, or other method that maintains the confidentiality of the student's records.

(cf. 5125 - Student Records)

The Board recognizes that parent/guardian compliance with this policy may be delayed, modified, or prevented for reasons such as serious illness/injury/disability, absence from town, or inability to get release time from work.

District regulations and school-site rules for student discipline shall include procedures for implementing parental attendance requirements. Parents/guardians shall be notified of this policy prior to its implementation. (Education Code 48900.1)

Supervised Suspension Classroom

To ensure the proper supervision and ongoing learning of students who are suspended for any of the reasons enumerated in Education Code 48900 and 48900.2, but who pose no imminent danger or threat to anyone at school and for whom expulsion proceedings have not been initiated, the Superintendent or designee may establish a supervised suspension classroom program which meets the requirements of law.

Except where a supervised suspension is permitted by law for a student's first offense, supervised suspension shall be imposed only when other means of correction have failed to bring about proper conduct. (Education Code 48900.5)

Decision Not to Enforce Expulsion Order

On a case-by-case basis, the enforcement of an expulsion order may be suspended by the Board pursuant to the requirements of law and administrative regulation. (Education Code 48917)

Monitoring the Use of Suspension and Expulsion

Students

Suspension and Expulsion/Due Process

At the end of each school year, the Superintendent or designee shall present a report to the Board regarding the use of suspension and/or expulsion in District schools. The report shall include, but is not limited to, outcome data which the District is required by law to collect and data related to the effect of suspension and/or expulsion on the District's minority student populations or groupings.
