

Instruction

Opportunity School/Class/Program

Students shall be assigned to an opportunity class/program only upon the recommendation of a school committee that includes at least the following members:

1. A district representative who is familiar with the student's progress.
2. A representative of the opportunity class/program.
3. The student's parent/guardian at the parent/guardian's option.

The parent/guardian may designate a representative such as a counselor, social worker or other community member to attend the committee meeting. (Education Code 48637.2)

Notification

Prior to assigning a student to an opportunity class/program for adjustment purposes, the student and his/her parent/guardian shall be notified in writing of the intended assignment. Insofar as practicable, the notice shall be in the parent/guardian's primary language and shall request the parent/guardian to respond within ten days. If the parent/guardian does not respond, the superintendent or designee shall make a reasonable effort to contact him/her by telephone with this information. (Education Code 48637.1)

Progress Review

A review shall be conducted at least twice each school year to examine the progress of each student assigned to an opportunity class/program for adjustment purposes and to determine whether the student would benefit by returning to the regular program. A representative of the opportunity class/program who is familiar with the student's progress shall participate in this review. The student's parent/guardian also may participate if he/she so desires. (Education Code 48637.3)
