Opportunity School/Class/Program

The governing board recognizes that attendance and behavior problems which develop in the seventh, eighth and ninth grades can have serious detrimental effects and sometimes cause students to drop out of school. The board shall maintain an opportunity class/program for students in the seventh through twelfth grades who are insubordinate or disorderly, irregular in attendance or habitual truants.

The opportunity class/program shall strive to resolve student problems so that the students may return to the regular program as soon as practically possible. (Education Code 48630)

Assignment

The superintendent or designee may assign students to an opportunity class/program only upon the recommendation of a school committee as required by law. (Education Code 48637.2)

The superintendent or designee shall ensure that due process procedures are observed, that the student and parent/guardian are notified prior to the student's assignment and that a review of the student's progress is conducted at least twice a year while he/she is attending the opportunity class/program.
