

QUARTERLY MEETING AGENDA

Community Advisory Group

The Community Advisory Group (CAG) is a requirement of a formal, court-approved agreement between the Stockton Unified School District (District) and the CA Department of Justice. The CAG is intended to review and provide comment on the progress made by the District to comply with specified agreement mandates to include revision or creation of policy and practices. The CAG also reviews data from the District's Department of Public Safety related to school requests for assistance and action taken (citations, bookings, counsel and releases, diversion and instances where force was used), and an overview of employee statistics and the annual report. Additional details about the CAG can be found on the District's website at <https://www.stocktonusd.net/CAG>
