

# ***FAMILY ENGAGEMENT & EDUCATION OFFICE (F.E.E.O.)***

MONTHLY NEWSLETTER - APRIL 2021

## **School Site Support**

The Family Engagement & Education Office (F.E.E.O.) has been assisting schools in their parent engagement endeavors. While some schools in our district have a Community Assist or Parent Liaison, many others do not. Thus, it is our office's goal to help schools identify parent leaders already involved to some degree. Some parent leaders are members of several committees at either the site or district level. Several parent leaders also attend our weekly workshops or meetings. Do you know of a parent leader? Please send them our way. Also, share your monthly calendars with your parents and teachers.

## **The Power of Partnership**

As the F.E.E.O. continues to support family engagement at school sites. We are offering an opportunity for site administrators and their family engagement support staff, including Parent Liaisons and Community Assists, to explore the importance of a meaningful partnerships between schools and parents or guardians. Tools and strategies on how to strengthen this partnership will be discussed. The professional development opportunity will be on Tuesday, April 20th, 9 - 10:30 am.
