CABE Virtual Conference for Parents & Padres Brillantes Workshop

Several parents have an opportunity to attend CABE (California Association for Bilingual Education) Virtual Conference on March 23 - 27. The conference will empower parents with strategies and tools to help their children be successful students.

In a previous CABE Conference (2018), parents had an opportunity of attending a Padres Brillantes workshop presented by a featured speaker. The workshop shows parents how they can assist their children in becoming critical thinkers. Several parents have expressed a need for these workshops to be offered in SUSD. As requested by parents, the F.E.E.O. has launched the workshop series in February. Pre-registered parents have 10 weeks of learning. We look forward to offering more opportunities in the future.

Featured F.E.E.O. Workshops:
