5.0 Old Business - There were no Old Business

6.0 New Business

6.1 SUSD Public Safety Presentation - Officer Edgar Montanez shared with members and guests information about traffic in schools. Officer Montanez said that traffic in schools is dangerous at times when some drivers do not follow school drop off/ pick up procedures. Some parents rush through traffic and put their kids, other kids, parents and school personnel in danger. He is encouraging everyone to take extra precautions when arriving at school. A 2013 study shows that

each week in the United States there are 5 fatal accidents, which increased 13% among students 12-19. Drivers are distracted with their cell phones or have their phones on, and are ignoring crossed school procedures. They do not drop off their own kids at the designated drop off/pick up areas. Officer Montanez asked members and guests to help in this matter by respecting the school procedures. There will be citations given to people that don't follow school drop off/pick up procedures. To make a change we need everyone's help. Currently there are not enough school officers to cover all SUSD schools. The Safety Department is offering training for anyone, parents, Guardians, Community members who wish to volunteer and help make a difference in our school community.

6.2 Extended Learning Opportunities Program (ELOP) - Mary Rogers, ELOP Administrator

Expanded Learning Programs are funded by the After-School Education and Safety (ASES) grant and the Expanded Learning Opportunities Program (ELOP) to serve TK-8th grade students. ELOP provides programming for before-school, intersession, and summer programs at selected sites, and provides after-school programs at all (42) K-8th sites. We are able to offer a safe place that administers additional mental health and socio-emotional wellness support to our students. In addition to providing academic support and tutoring, ELOP will continue to work with our SUSD staff and community-based partners to incorporate sports, intramurals, field trips, the arts, financial literacy, and an overall robust enrichment program for our students.

Together, the Expanded Learning Program collaborative is working to create a safe, fun, and learning environment for Stockton youth.

ELOP Summer Day Camp Registration: The ELOP Day Camps will operate from June 2 - June 30th from 8 am - 5 pm. If your student is attending the Summer Learning Academy (SLA) they can attend the Day Camp at the completion of the SLA program. Please note: this application is for ELOP Day Camp only, if you would like your student to attend the SLA program you will need to complete a separate application with your school site.

Member Lorena Duran made first motion to extend the meeting 20 minutes, and Monique Guerrero made seconde motion. All members were in favor, no one opposed. Motion approved.

7.0 Reports

7.1 LCAP Update - Tiffany Ashworth, State and Federal Administrator presented:

LCAP Overview

- California's Local Control Funding Formula (LCFF) provides base, Supplemental, and Concentration (S&C) funding to school districts.
- S&C funds are funds targeted to improve student outcomes for all students, especially for English Learners, foster youth, and low-income students.
- The Local Control Accountability Plan (LCAP) shows how LCFF funds will improve student outcomes and performance for all students.

The district's LCAP is a three year plan that was initially developed during the late winter/spring 2021 which established baseline data and actions.

Year 1 - Completed Implementation: SY 2021-2022 Board approval: June and August 2021

Year 2 - Current Implementation: SY 2022-2023 Board approval: June and September 2022

Year 3 - Upcoming Implementation: SY 2022-2024 Board approval: anticipated June 2023

Identified needs:

- ELA (grades 3rd-8th) scoring below grade level
- Math (grades 3rd-8th) scoring below grade level
- Low student attendance
- High Chronic Absenteeism

Goal 1: Increase student achievement by providing high quality first instruction supported by a Multi-Tiered System of Supports to graduate every single youth college, career, and community ready.

Goal 2: Provide equitable and healthy learning environments that enhance the social-emotional and academic learning for all students utilizing a Multi-Tiered System of Supports.

Goal 3: Create a culture of inclusion and collaboration with families and community stakeholders that builds meaningful partnerships focused on increasing student engagement and family and community participation in support of developing leadership at all levels.

New Goal 4: To increase graduation rates for students with disabilities and increase rates of social emotional learning by identifying, addressing, and removing barriers to school participation and increasing access to various graduation pathways.

Upcoming Goal:

Educational Partner Engagement Plan for 2023-2024 SY
