6. After you've copied or saved the Meeting ID find the Zoom app on your device and press the button.

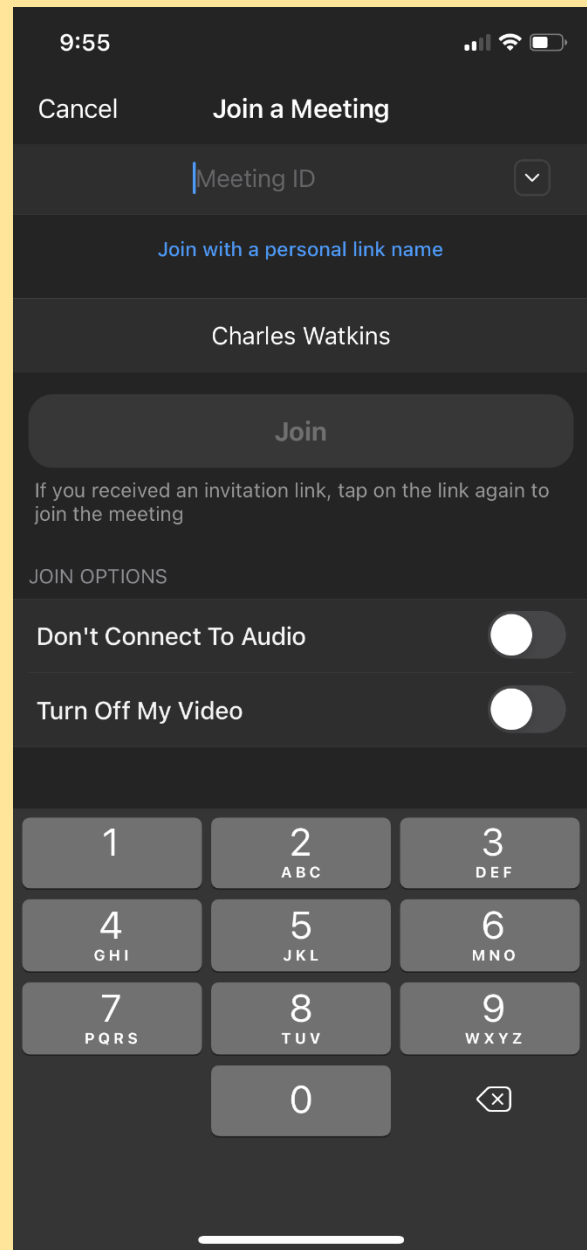

iPhone Zoom App Pictorial

7. Zoom will open and there will be a button asking you to join a meeting. Press the button and enter the information requested.

8. Use the saved Meeting ID and enter a name for yourself and then press the "Join" button.

iPhone Zoom App Pictorial

9. Next you will be asked to “Join with Audio” to allow other meeting participants hear you through your microphone.

10. Once inside the meeting muting your microphone should be a first step so the presenter is not interrupted. Tap your phone screen and an option to mute your microphone will appear.
