

Stockton Unified School District Career Technical Education Stakeholder Engagement Forums

The purpose of these meetings is to convene all stakeholders and obtain input on the current state of CTE within the district as we seek to assemble our Comprehensive Local Needs Assessment (CLNA), formerly known as our CTE district plan. The CLNA is a major component of the annual application we must submit for Federal Funding (Perkins) to operate our CTE programs.

YOUR VOICE MATTERS

We are holding multiple virtual meetings across several high schools throughout the district, and we are inviting everyone to log in and help us develop our CLNA.

EVERYONE IS WELCOME:

- Parents and students
- CTE teachers, career guidance and academic counselors, administrators and other school leaders, specialized instructional support personnel and paraprofessionals
- CTE representatives from postsecondary institutions including faculty and administrators
- Representatives of special populations
- Representatives from regional or local agencies serving out-of-school youth, homeless children and youth, and at-promise youth
- Representatives of Indian Tribes and Tribal organizations

Stakeholder Engagement Forum Meeting Information:

Simply click the school's name to join the meeting on that day and time.
