The Role of CTSO in Stockton's Career Pathways, the CTE Webpage and resources

Learn to shake hands and meet new people

Report out by each schools CTSO: Chart Paper Presentation

- What is your chapter's and/or pathway focus
- What are the goals for your chapter

What did we learn from the presentations?

Lunch

Career Cruising Overview

Discussion: What can Stockton Unified do to support students in the Career Pathways?

More opportunities to do community services

More chances to provide leadership

Dr. Andrus asked about things they would like outlearn, what equipment they needed for field tips and places to go.

Stockton's Events that support CTE

- College and Career Fair, October each year
- Business Education Alliance (BEA) Symposium, three times a year
- BEA Scholarship Luncheon, twice a year
- February is CTE Month, each year
- Annual County CTE Course Advisory Meetings, held each February at the SJCOE
- Annual Perkins Advisory Meeting, held in May or June and chaired by the Chamber of Commerce Director

Stockton's ongoing services and activities that support CTE

- BEA organized events: Mock Interviews, Speaker's Bureau, Industry Tours
- Funding for equipment, materials, field trips and CTSO activities: Perkins, LCAP, CTEIG and General Funds Professional Development for teachers
