# FFA

National FFA Organization is the official name and the letters "FFA" stand for Future Farmers of America. These letters are a part of FFA history and our heritage that will never change. But FFA is not just for students who want to be production farmers; FFA also welcomes members who aspire to careers as teachers, doctors, scientists, business owners and more. For this reason, the name of the organization was updated to reflect the growing diversity and new opportunities in the industry of agriculture. FFA is at Stagg High School.
