Water Play – During the hot weather some sites may plan activities that involve using water for recreation. This may include but is not limited to using water spray bottles, wet sponges, water balloons, buckets of water and/or a run, slide or jumping water activity. In the course of the activity your child may get wet hair, clothes, and/or shoes.

Our next planned Water Play activity will be:

(day) _____ (mm/dd) _____

Please send:

An extra change of clothing

A towel

No extra supplies are needed

My child has my permission to engage in WATER PLAY.

I understand that my child may get wet when engaged in this activity. When possible, I will provide him/her with a towel and/or an extra change of clothes.

I do not want my child to engage in WATER PLAY. I understand that he/she will be engaged in an alternate activity during this time.
