Message From The Teacher

Dear Families,

Please join "Distant Learning - Ms. Gonzales" google classroom; this is how I will be assigning work for students.

The district learning packets will not be graded but please keep - in case the district asks us to collect the work. As of April 6th, I will be assigning work through google classroom. There is some work posted already if students are interested.

I will keep in touch via Remind and Google Classroom. You can also email me: ReinaGonzales@stocktonusd.net
