

Mrs. Ponte's Weekly Newsletter

Dear Families,

Thank you for continuing to support your child at home. This week, we will begin our "official" home learning! The activities scheduled for this week are mostly review work and the goal should just be to get in a routine that works for your child (and you) at home.

Each day, students should check in with our Google Classroom (Mrs. Ponte's 5th Graders) first. This is IMPORTANT! Every morning I post a video message for students in the "Classwork" section and give them some information about their school day.

Students will be assigned a Home Learning Slideshow for the week in Google Classroom. As everyone's schedules are different, your child is free to work at their own pace on this slideshow as long as they turn it in on Friday by midnight.

I will be sending information through Google Classroom about Google Meets (video meetings) throughout the week. Some meetings will be for students to ask questions about specific assignments and other meetings will be check-ins like the one we did last Friday.

Important Dates

April 6th: Home Learning BEGINS!

April 6th-7th: Chromebook Check Out at PYA from 9:00-11:30.

April 9th-10th: Chromebook and Hotspot Check out at District Office (you will be notified about a Hotspot)

April 6th-April 10th: Breakfast/lunches from 11:30-12:30. New this week: Your child does NOT have to be present to get meals.

April 13th: No Home School (Easter Holiday)

Learner Profile Trait of the Month: Reflective

We thoughtfully consider the world and our own ideas and experience.

We work to understand our strengths and weaknesses in order to support our learning and personal development.

How to connect with Mrs. Ponte:

I will continue to be available to respond to emails (mponte@stocktonusd.net) and Remind messages. Teaching from home is a new experience for me, so I'll do the best I can to respond to your questions in a timely manner! I also know that many of you are still working from home or out of the home. I appreciate everything you're doing to support your child at this time – we'll all help each other!
