JOINTLY DEVELOPED

The parents, students, and staff of King School meet yearly to discuss student learning needs based on annual assessments e.g.; SBAC, CST, i-Ready, ELPAC and School Climate Surveys. Our School-Parent Compact for Achievement is revised based on these discussions. Teachers suggest home learning strategies, parents add ideas to make them more specific, and students identify ways to support their learning goals. If the School Plan for Student Achievement is not satisfactory to parents of Title I students, parents may submit comments on the plan to the School Site Council, ELAC, or during the Title I meeting. Parents are welcome to contribute comments at any time. If you would like to volunteer, participate and/or observe in a classroom, please contact the King Family Center or King School office at (209) 933-7230.
