

Cesar Chavez High School

College ready - Career bound - Highly skilled - Successful citizens

Four-Year Course Plan

Students have the opportunity to prepare themselves for a career and college from the moment they start.

All students have access to courses that meet California university requirements, Honors and Advance Placement courses, opportunities to earn Delta College credits, and participate in our College and Career Pathways, which are based on California's industry career growth sectors. We also offer several Elective Pathways to support our students with academic enrichment. Our pathways and block schedule provide the academic guidance, support, and opportunity for **ALL** students to reach their college and career goals.
