To Parent / Guardian

This handbook has been prepared to explain and clarify the procedures, policies and regulations at Edison High School. You are urged to contact the assistant principals if you have any questions or concerns. Please note that this handbook is subject to change. Check the Edison website for the most current version of the handbook.

Parents are often reluctant to call the school with information or questions, please be assured that we welcome your involvement and that frequently, the information shared enables us to better meet the needs of our students.

Edison High School Alma Mater:

Edison our Alma mater,
Give forth thy light, Wisdom and right.
Wherever we may wander,
Let us never fail,
Edison forever,
Alma mater hail.

**EDISON HIGH SCHOOL
BELL SCHEDULE
2021-2022**

**REGULAR DAY
(Monday, Tuesday, & Friday)**

Period / Período	Time / Hora	Minutes / Minutos
1	7:25-8:57	92
2	9:02-10:34	92
1st Lunch / 1er Almuerzo	10:34-11:04	30
3A	11:09-12:41	92
3B	10:39-12:11	92
2nd Lunch / 2do Almuerzo	12:11-12:41	30
4	12:46-2:18	92

**RTI-HIGH SCHOOL SUCCESS DAY
(Most Wednesdays)**

Period / Período	Time / Hora	Minutes / Minutos
1	7:25-8:45	80
2	8:50-10:10	80
RTI Period	10:15-10:57	41
Lunch / Almuerzo	10:57-11:28	32
3	11:33-12:53	80
4	12:58-2:18	80

**STUDENT SUCCESS DAY
(Most Thursdays)**

Period / Período	Time / Hora	Minutes / Minutos
1	7:25-8:33	68
2	8:38-9:46	68
3	9:51-10:59	68
4	11:04-12:12	68
Optional LUNCH		

Please note: The Lunch you will have depends on where your 3rd period class is located. It may change when the new Term begins in January.
 If your 3rd period class is in B (Berkeley/Davis), D (Pacific Learning Center), E (Engineering) or the Boy's or Girl's Gym, you will have Lunch A followed by Period 3A.
 If your 3rd period class is in Room 76-82, Classroom (CR including HOC and MOC), Portable (P91-P107) or Science (SC), you will have Period 3B followed by Lunch B.

4-Period Schedule

Above is the Regular Schedule and release time, which is at 2:18 pm. Please note that we will also have one Student Success Day a week (almost every Thursday) when students are released at 12:12 pm. Teachers / staff use this time on Thursday to collaborate in their Professional Learning Communities, ensuring that what we do daily aligns with Edison High School's Mission, Vision and Student Learner Outcomes.

About Edison High School...

MISSION STATEMENT

Thomas Alva Edison High School will deliver challenging and meaningful instruction within programs that are designed to prepare all students for a variety of post-secondary opportunities.

VISION STATEMENT

Thomas Alva Edison High School will be a locally and nationally renowned learning environment where students, staff, parents, and community members collaborate to ensure all students are college and career ready.

PRINCIPAL'S MESSAGE

At Edison High School, student achievement is of foremost importance. A wide assortment of courses is offered to meet the needs of all students, from support and intervention to Advanced Placement. We are an AVID Demonstration Site. AVID is an influential program on campus that has successfully prepared students for college year after year.

Students at Edison have the opportunity to recover credit deficiencies through Cyber High, an online credit recovery program that is available on campus. The school is also a specialized Science Technology Engineering Mathematics Magnet (STEM) school.

The strong Edison athletic program gives students numerous opportunities to develop talents and interests outside the regular school day. All extra-curricular enrichment activities help students make positive choices and focus on achieving both personal and academic goals.

The faculty of Edison High is committed to providing meaningful educational opportunities to every student on campus. We thank you for your interest in our school and in the welfare of the young adults we serve, whom we regard as:

Soul Vikes

E-House SOUL
Student Learner Outcomes
Succeed by achieving academic and personal goals.
Organize information to think and communicate effectively.
Use knowledge to prepare for college and career.
Lead by making positive choices.

About This Handbook & Expectations

About This Handbook

All students are held responsible for knowing and abiding by the regulations in the Student Handbook.

Rights of Students

Every student has the right to be free from teasing and bullying and have their rights respected. If at any time your rights are interfered with, you should appeal to authority - a CSM, a teacher, a counselor, or an administrator. Appealing to the authorities is the proper thing to do. Do not take matters into your own hands.

Student Expectations

- Treat yourself/everyone else with respect.
- Be prepared to engage in your education.
- Promote a positive school culture.
- **Maintain health & safety guidelines adopted by the district and state, post COVID-19**
- Attend and be on time to all classes.

- Respect school and private property.
- Keep your personal belongings with you at all times unless they are in a secure location.

Parent Expectations

- Treat yourself/everyone else with respect.
- Maintain a positive attitude towards school.
- Talk with your child about what they learn that day at school; ask to see their Cornell Notes.
- Ensure your child has necessary materials to be successful at school and at home.
- **Maintain health & safety guidelines adopted by the district and state, post COVID-19**
- Attend back to school night and parent teacher conferences to meet with teachers / counselors regarding your child's progress.

Teacher Expectations

- Treat yourself/everyone else with respect.
- Prepare and deliver rigorous lessons daily.
- Provide ongoing feedback to students & parents regarding progress via Jupiter Grades.
- Have clear and consistent classroom policies and procedures.
- Promote a positive school culture.
- Collaborate with team members.
- Take accurate attendance on a daily basis.
- **Maintain health & safety guidelines adopted by the district and state, post COVID-19**

Closed Campus Policy

Edison High School is a closed campus by district ruling. A "Permit to Leave" must be obtained from school personnel before a student leaves campus.

Counselor Expectations

- Treat yourself and everyone else with respect.
- Provide truthful/honest feedback regarding student progress.
- Inform students and parents of academic progress toward graduation.
- Schedule meetings, make phone calls, and provide written communication to parents.
- Facilitate crisis intervention.
- Provide intervention for student referrals.
- Provide college, scholarship, and career information.
- Promote a positive school culture.

Classified Staff Expectations

- Treat yourself and everyone else with respect.
- Be prepared to provide appropriate and timely customer service to students, parents and staff.
- Promote a strong working relationship with staff, students, parents, and the community.
- Promote a positive school culture.

Administrator Expectations

- Treat yourself and everyone else with respect.

- Set policies and procedures for maintaining an environment for positive student behavior and academic success.
- Provide open communication with parents, students, and staff.
- Hold students accountable for appropriate school behavior and provide due process.
- Be an instructional leader.
- Promote a positive school culture.

Zero Tolerance

To maintain positive student interaction and ensure the safety of all students at school, we have ZERO TOLERANCE, meaning: Anyone involved in a physical fight / agitation, regardless of who started the fight, as well as anyone who instigated a fight or interfered with Staff stopping a fight, will be suspended from school and placed on a “Commitment to Safety Contract”. Violation of this contract can result in a student being expelled from Edison High School.

School Policies and Regulations

School Policies & Safety Regulations

Alcohol/Drug Free Policy

It is strictly prohibited for students to use, possess, distribute, sell, or be under the influence of alcohol, illegal drugs, and/or any controlled substances, on any district premise or function (home or away). The minimum penalty for violation of this policy will be suspension from school: however, violation of this policy could result in permanent expulsion from school and/or arrest.

**In order to ensure a safe campus, food that is brought from home or is not in its original packaging will be confiscated and/or inspected.*

No Smoking Policy: (page 10 ed. code # 17) 48900(h), 48901

SUSD has a no smoking policy (including e-cigarettes and VAPE pens). Individuals (students and staff) are not allowed to smoke or have tobacco in their possession on campus or during school sponsored activities. This refers to all school activities, athletic events, field trips, etc. (home or away).

Conduct in General

Not all acts of misconduct can be itemized in this regulation. The following is a list of some of the main areas of conduct which may lead to disciplinary action such as: detention, confiscation of material, being placed on the No-go list, revoking privileges (including participation in student activities, sporting activities, off campus lunch, dances, proms, and ceremonies), revoking of Specialized Program Status (ex: AVID, STEM awards, and sashes), alternative schedule, probation, exclusion, arrest, mandatory program reassignment, suspension and/or expulsion.

- A. Use of abuse, violence, force, noise, coercion, intimidation, fear, insubordination, or other similar conduct in a manner which constitutes an interference with school purposes or violates another’s human rights
- B. False communication of the presence of a bomb or explosive

- C. The willful causing or attempting to cause damage to personal or school property
- D. Stealing, attempting to steal or receiving stolen personal or school property
 - E. ny object or material that is ordinarily or generally considered to be a weapon or dangerous object
 - F. Engaging in the unlawful selling, using, possessing, and/or being under the influence of or distribution of alcoholic beverages, narcotics, drugs or other controlled substances
 - G. Truancy or failure to attend assigned classes or activities
 - H. Using language which by school standards is considered obscene, vulgar, profane, threatening or intimidating
 - I. whether or not money is visible as a transaction), vandalizing and littering on school grounds.

****Edison defines participation in categories A-L as being a spectator to or participating in the event This means that spectators will also be disciplined as they are contributing in creating an unsafe environment.***

Academic Dishonesty

Including but not limited to receiving, discussing, using, or distributing test information; submitting work which is not entirely the student’s original work, submitting purposefully corrupt files; receiving information in any means, of any kind, during a test; falsifying information to a staff member where the student’s grade or peer’s grade benefits.

Consequences for Academic Dishonesty may include: being placed on the No-go list, revoking privileges (including participation in student activities, sporting activities, off campus lunch, dances, prom, and ceremonies), revoking of Specialized Program Status (For example: AVID, STEM awards, chords, etc.), alternative schedule, probation, exclusion, arrest, mandatory program reassignment, suspension and/or expulsion, no retest, a zero grade for the assignment, no grade bump for AP courses or removal from the program.

Immunizations: “No Shots- No School, Policy”

The high school health center is required by state law to examine and update incoming students’ immunizations records. Students must have an up-to- date immunization record. If records are not up-to-date, students will not be allowed to register. Any questions regarding immunization records may be directed to the health center (209) 444-8300. All students entering the 7th-12th grade year must have proof of a Pertussis (whooping cough) booster shot, known as TDAP, before starting school. The Pertussis requirement will be met by having your child receive one dose of Pertussis vaccine on or after his or her 10th birthday.

Electronics Policy

The following consequences will be issued:

- 1st Offense - Student may pick up the electronic device from the reflection center (with an ID).
- 2nd Offense - Parent will be notified and must sign the electronic policy.
- 3rd Offense – The parent must pick up the device. The student may be suspended for habitual defiance.

Subsequent offenses will result in an increased number of suspension days.

**** Edison is not responsible for lost/stolen electronics and will not assist in the recovery of these items. A police report may be filed. Students who bring their own devices to school are***

subject to a reasonable search if suspicion arises that device contains evidence of a violation of school policy/law.

Technology and Internet Use

Edison High School is a Digital High School. As a result, the school has various computer laboratories and classrooms with Internet access. Individuals using Edison's technology assume responsibility for its appropriate use. All terms and conditions as stated in this document are applicable to any user accessing the Internet through any resources provided by Edison HS. Prior to access, all users must sign the Acceptable Use Policy and agree to abide by all rules. Internet access is a privilege, not a right, and can be revoked at any time.

ID Cards

To promote safety, all students must carry their ID card with them. It is mandatory for all students to get their ID cards at the start of the school year. ID cards will be required for the following:

- To check out school books
- To use as a student body ID card / Internet ID
- For other identification purposes
- For entrance into **ALL** school sponsored events or activities

If an ID card is lost, a replacement card must be purchased for \$5.00 from the student store.

Safety Drills

To better prepare for real emergencies, safety drills will be held periodically throughout the school year. Safety procedures have been implemented and will be reviewed periodically with students and staff. Any student interfering with safety drills is subject to suspension and/or expulsion.

Detention

After school or lunch detention will be assigned by school staff as a consequence for violation of school policies. Lunch detention may be offered as an alternative to after school detention. Failure to serve detention may result in suspension in or out of school.

Reflection Center

Administration may assign students to the Reflection Center for the following reasons:

1. Teacher referral or Teacher initiated class suspension (maximum 2 days). Teacher must hold parent conference.
2. Any violation of school policies.

Hall Passes

Quality instruction is the top priority at Edison High School. Therefore, hall passes will only be given at the teacher's discretion after the first 15 minutes of class and before the last 15 minutes of class. Students leaving class must have the permission from the adult supervisor of the class and must have the appropriate pass or vest.

Attire & Grooming Regulations
(Ed. Code Section 35294.1)

Students dressed inappropriately may be sent home. For the safety of students and staff at Edison High School as well as to promote a positive school culture, the following policies have been

implemented:

- No red or blue clothing of any kind or amount may be worn at school. The ban includes lettering, clothing trim, shoe laces, belts, etc. Students who wear banned clothing will face discipline.
- Edison baseball caps, Edison beanies, and religious attire are the only headgear permitted on campus.
- Only Edison athletic apparel is permitted.
- Clothing and backpacks that contain graffiti will not be permitted.

Edison High School reserves the right to prohibit such apparel that causes distractions or disturbances to the instructional program of the school or interferes with the learning process. Decisions regarding the appropriateness of clothing will be at the discretion of the administration

Items Not Allowed on Campus for Safety

- ❖ Cell Phones
- ❖ Electronic Gaming Devices
- ❖ Music Players
- ❖ Spiked Jewelry
- ❖ Bandanas
- ❖ Video Cameras
- ❖ Laser Pointers
- ❖ Character cards
- ❖ Skateboards
- ❖ Spray paint
- ❖ Weapons or Dangerous Objects
- ❖ Permanent Markers
- ❖ Drug/Alcohol related items
- ❖ Dice
- ❖ Trading cards
- ❖ Tobacco Products/Matches/Lighters
- ❖ Chains of any kind
- ❖ Liquid Correction Fluid
- ❖ Cameras (all types)
- ❖ Any alteration from the original on any article of clothing i.e.: Old English Lettering
- ❖ Head Coverings of any kind
- ❖ Clothing articles promoting or displaying drug, alcohol, tobacco and or inappropriate language, pictures or behavior
- ❖ Red or Blue clothing of any kind or amount

None of these items are allowed on campus and will be confiscated, with the appropriate disciplinary measures being taken

Edison High School will administer the listed consequences for students who fail to comply with school policies and procedures.

	Tardy	Prohibited Items	Dress Code	ID	Hallway No Pass	Failure to Comply with School Rules
1 st Offense	Warning	Warning	Warning & Remove Item	Warning	Warning	Warning
2 nd Offense	Warning	Item Confiscated- Returned at end of day with ID	Final Warning- Remove Item	Final Warning	Final Warning	Final Warning
3 rd Offense	Warning	Item Confiscated- returned to parent	ISS Period- remove item Parent Contact	Level 1 Detention 15 minutes	Level 1 Detention 15 minutes	Up To Suspension
4 th Offense	Level 1 Detention 15 minutes Parent Contact	Item confiscated- returned at the end of the year	ISS Period- remove item Parent contact	Level 2 Detention 30 minutes	Level 2 Detention 30 minutes	Up To Suspension
5 th Offense	Level 2 Detention 30 minutes Parent Contact	Suspension with parent conference (all subsequent)	Suspension with parent conference	Level 2 Detention 30 minutes	Level 2 Detention 30 minutes	Up To Suspension
6 th and Subsequent Offences	Level 3 Detention 30 minutes, Parent Conference & SST referral *See CWA Attendance Improvement Plan*		Suspension with parent conference	Level 2 Detention 30 minutes	Level 2 Detention 30 minutes	Up To Suspension

Failure to comply with discipline will result in:

1. Student being placed on the “No Go” list for School Sponsored Activities.
2. Student being suspended for habitual non-compliance.
3. Parent Conference.

Mission: Thomas Alva Edison High School will deliver challenging and meaningful instruction within programs that are designed to prepare all students for a variety of post-secondary opportunities.

Vision: Thomas Alva Edison High School will be a locally and nationally renowned learning environment where students, staff, parents and community members collaborate to ensure that all students are college and career ready.

Specialized School Pathways

Students in Edison’s STEM program participate in a rigorous math, science, and technology program that emphasizes the preparation for and acceptance to a four-year post-secondary educational institution.

Students participate in activities and projects involving inquiry, research, and problem solving through critical thinking. At the completion of our program, students will be prepared for a four-year post-secondary educational institution.

The Edison STEM Program is unique in that it offers the highest level of mathematics and science classes available to high school students including: AP Calculus AB & BC, Anatomy & Physiology, and Physics (not all courses are offered each year).

STEM Courses

MESA: Students develop their math and science skills through academic, activity-based labs. Students demonstrate appropriate study techniques and improve their reading and writing skills through interdisciplinary activities. The activity-based curriculum enhances students’ confidence, team spirit and academic excellence. Students participate in college visitations, local and state competitions, and field trips.

Anatomy & Physiology: Students demonstrate an understanding of the structures of the body as a whole and the functioning of its chemical and physical systems. Students interested in health sciences can benefit from the development of the technical skills & language that are a part of this course. Students participate in laboratory exercises and use technical language in preparing laboratory reports

Engineering

- IED: Students dig deep into engineering design process, applying math, science, and engineering standards to hands-on projects. They work individually and in teams designing solutions to a variety of problems using 3-D modeling software.
- POE: Students explore a broad range of engineering topics, including mechanisms, the strength of structures and materials, and automation. Students develop skills in problem solving, research, and design while learning strategies for design process, documentation, collaboration and presentation.
- CIM: Students discover and explore manufacturing processes, product design, robotics, and automation, and then they apply what they have learned to design solutions for real-world manufacturing problems.

Computer Science

- CSE: Students experience major topics, big ideas, and computational thinking practices used by computing professionals to solve problems and create value for others. Course empowers students to develop computational thinking skills while building confidence, preparing them for CSP and CSA.
- CSP: Using Python® as a primary tool, students explore and become inspired by career paths that utilize computing, discover tools that foster creativity and collaboration. Course is College Board endorsed, giving students the opportunity to take the AP CSP exam for college credit.
- CSA: Students collaborate to create solutions to problems by designing / implementing user interfaces & Web-based databases, as well as creating games or apps to serve a need in the community. Course aligned to AP CSA.

Academic Requirements

Graduation Requirements

Students must successfully complete these minimum subjects/credit requirements to earn a diploma:

- a) Students must earn a minimum of 230 credits for incoming 9th graders. 210 credits are needed for those in grades 10, 11 and 12.
- b) All students will receive 10 credits for each class they successfully complete.

Distribution of Credit – Credits must be earned according to the categories below (**Grade 9 needs 230 Credits for graduation**):

For Grade 9: Class of 2025

Course of Study	Years	Credits
English	4	40
Social Science	3	30
Mathematics	<u>2</u>	<u>20</u>
Science	<u>2</u>	<u>20</u>
Physical Education	2	20
World Language (Other than English (LOTE) in the same language)	2	20
VAPA	1	10
College Prep Elective	1	10
Electives		<u>90</u>
Total Required Core		140
Total Electives		<u>90</u>
Total Graduation Requirements		<u>230</u>

For Grade 10: Class of 2024

Course of Study	Years	Credits
English	4	40
Social Science	3	30
Mathematics	<u>2</u>	<u>20</u>
Science	<u>2</u>	<u>20</u>
Physical Education	2	20
World Language/VAPA/CTE	1	10
Electives		<u>70</u>
Total Required Core		<u>140</u>
Total Electives		<u>70</u>
Total Graduation Requirements		<u>210</u>

For Grade 11: Class of 2023

Course of Study	Years	Credits
English	4	40

Social Science	3	30
Mathematics	2	20
Science	2	20
Physical Education	2	20
World Language/VAPA/CTE	1	10
Electives		70

Science	2	20
Physical Education	2	20
World Language/VAPA/CTE	1	10
Electives		70
Total Required Core		140
Total Electives		70
Total Graduation Requirements		210

Graduation Ceremony Requirements

Edison High School honors its graduating students at the graduation ceremony at the end of the school year. Students identified as potentially not meeting graduation requirements (credit deficient) or with behavior inconsistent with the school conduct code (behavior and / or poor attendance) will not be invited to attend. Any graduating senior that is suspended for any reason after the senior assembly or participates in academic dishonesty will not be allowed to participate in the graduation ceremony. All sashes, chords and stoles must be approved to be worn during the ceremony. **All graduating Seniors must wear an approved Cap and Gown to the Ceremony. However; no student will be turned away simply for not buying one. Any graduating Senior who is unable to purchase a Cap and Gown can see their counselor or our Social Worker and request to borrow one.**

Tutorials / Viking Learning Center

Tutoring services are available every regular day after school. Tutoring sessions are voluntary; however, teachers, administrators, or parents may insist on the student's presence. Tutoring is meant to help students maintain an acceptable level of achievement. Contact the student's counselor for more information.

Homework

Doing homework results in higher grades. The time and amount of homework should increase with the student's grade level. Incomplete or unfinished class work constitutes homework, which serves to:

- Reinforce the present day's lesson
- Help develop a sense of responsibility
- Prepare for the next day's lesson

- Reinforce acquired skills / develop new ones
- Incorporate available materials/media at home

An allotted time for home study should be part of a student's daily routine, regardless of whether specific assignments have been given. Students should realize that homework is not just written assignments, but studying is an integral part of homework.

Parents should routinely verify its contents and communicate with teachers if there is a concern, as well as encourage development of good study habits.

Authorized Absence

Seniors and Juniors may take a three-period schedule as long as the following requirements are met:

- ✓ Student on track to graduate/A-G requirements
- ✓ The student is in good standing with the school
- ✓ Authorized Absence form is signed by parent or guardian and returned to the counselor.

Authorized Absence may be revoked if student does not exit after their last scheduled period.

Student Service

Seniors can choose to take one period of student service or teacher's assist as long as the student has a 2.0 GPA and is on track to graduate.

Academic Load

Honor Roll

Students who maintain an overall GPA of 3.5 or better are recognized for their achievement by being placed on the Honor Roll.

High School Tests

ASVAB: A multiple aptitude test offered free by the DOD to estimate students' performance in five occupational areas. Results aid counselors in students' career planning. (Note: Military will not contact any student unless requested by the student)

Advanced Placement (AP): A series of tests in college-prep content areas given each Spring to students in AP courses. Successful completion of each test may result in college credit for the content area of the test (depending on the college's policy).

SAT: A college admissions placement test used by most four-year colleges. Students take the SAT their junior year and can retake it during their senior year.

PSAT: A standardized test that provides firsthand practice for the SAT Reasoning Test. It also gives you a chance to enter National Merit Scholarship Corporation (NMSC) programs.

ACT: A college admissions placement test used by most four-year colleges. This test incorporates reading, writing, math, science, and English. The ACT is designed to assess high school students' general educational development and their ability to complete college-level work.

Measures of Academic Performance: Computer adaptive interim assessments in Reading, Math and Science (Grades 9-11) which are administered three times per year. MAP measures students' academic growth – highlighting skills and concepts that students have mastered and what they are ready to learn. MAP data can be used to: differentiate classroom instruction; reclassify EL students; monitor student achievement; and identify areas of strength and concerns for individuals or groups of students.

CAASPP: Signed into law on October 2, 2013, AB 484 (Bonilla) established the California Assessment of Student Performance and Progress (CAASPP) assessment system. The CAASPP system replaces the Standardized Testing and Reporting (STAR) Program. The primary purpose of the CAASPP system is to assist teachers, administrators, and pupils and their parents by promoting high-quality teaching and learning through the use of a variety of assessment approaches and item types. The CAASPP will be implemented over multiple school years by the California Department of Education.

EAP Early Assessment Program: The EAP is a partnership between the California State University system, the California Department of Education, and California high school districts. The EAP measures college readiness in English and math through the CAASPP and CAST testing systems. The program is voluntary and students who pass the EAP can be exempted from taking college level placement tests in English and math at CSU and participating community colleges. A further benefit of the program is that it allows students to prepare for college level English and math courses while still in high school.

ELPAC: Previously called CELDT, has three purposes: identify students who are limited English proficient, determine the level of English language proficiency of students who are limited English proficient, assess the progress of limited English proficient students in acquiring the skills of listening, reading, speaking, and writing in English.

PFT Physical Fitness Test: The PFT provides information that can be used by (1) students to assess and plan personal fitness programs; (2) teachers to design the curriculum for physical education programs; and (3) parents and guardians to understand their children's fitness levels.

You can go to COLLEGE

A-G Requirements*
California State University ♦ University of California

*Grades of C or better required.

How to Calculate Your GPA

Use the current semester final grades.

1. Multiply attempted credits by points = total column.
Point System: A=4, B=3, C=2, D=1, F=0, NM=0
2. Add attempted credits and total columns separately
3. Divide total earned by number of attempted credits. This gives the GPA

COURSE	FINAL GRADE		POINTS	TOTAL
PE	A	5.0	4	20
English	B	5.0	3	15
Algebra 1	A	5.0	4	20
History	D	5.0	1	5
Science	D	5.0	1	5

Attendance Rules Procedures

Attendance is a critical part of your child's high school success. This includes arriving to school and being in class on time daily by 7:25 a.m. The following are the school's attendance policies.

Attendance Rules, Procedures and Credits

A. Excused absences from school will be (1) illness, (2) death in family, (3) doctor appointment.

B. To be classified as an excused absence, all absences must be verified by a telephone call and a note from parents. For pre-arranged absences, a prearranged absence form must be obtained. Students must then obtain excusal signatures and request missed work from the teachers of all missed classes 48 hours prior to the event. The form is then returned to the office. All absences which can reasonably be foreseen are to be approved by the use of the "pre-arranged absence" form.

C. Absences from school for any reason other than the above mentioned will not be excused by the school.

D. Unexcused absences in semester courses: No credit will be allowed for school work missed during the unexcused absence unless approved by the teacher.

E. Excessive absence and forfeiture of credit:

1. Forfeit of credit: A student who, for any reason, is absent - unexcused 14 (fourteen) times per quarter will forfeit credit for the quarter. 4 tardies = 1 unexcused absence.

F. General

1. Students who become ill at school must check out at the Health Center or Attendance Office. Students leaving school for any other acceptable reason must be cleared in advance by the Attendance Office.

2. Any absence not specifically excused by the school will be an unexcused absence. This will include leaving for athletic events or music events in which the student is not a participant. Students participating in regularly sanctioned school activities under the supervision of a school staff member shall not be considered absent from school on their records.

Please contact the Attendance Office at 933-7425 Ext. 8014 or 8015 for any concerns.

Edison follows the district CWA Attendance Improvement policy noting that a 30-minute tardy is equivalent to an unexcused tardy.

Edison defines 4 tardies = 1 unexcused absence.

In addition to the CWA Attendance Improvement policy interventions, Edison may enforce additional interventions to curb tardies including but not limited to Lunch Detention, loss of privileges, and teacher consequences.

Policy for Leaving Campus/Off-Campus Lunch

Any student leaving campus MUST obtain a permit to leave. Permits will not be issued without parent permission and legal excuse. Students will only be allowed to leave the campus with a legal guardian as identified in school records. Parents/Guardians must provide proper identification when signing a student out of school.

Off-campus Lunch Permit is a privilege and will be revoked if the student does not follow the code of conduct or returns from lunch late more than once. A student must be academically/socially eligible for an off-campus lunch permit and must complete an application with parent's signature to receive it.

Making up Work

Work missed because of absences should be made up when the student returns to school. Makeup provisions vary depending upon the type of absence. Teachers are granted discretion in setting deadlines for make-up work within these guidelines:

1. Unexcused – work missed for this reason may be entered as zero credit. If make-up is permitted in any class, the deadline may be set at whatever time the teacher determines is appropriate.
2. Excused – it is the responsibility of the student to check with each teacher and arrange for making up missed assignments. A student will have two days after the day he/she returns to hand in make-up work.

Pre-arranged –to be used when students know they will be absent. It is student's responsibility to inform their teachers of the absence and make arrangements with the teacher for make-up work

Dress Code Policy

Edison High school

EHS Tardy Policy

Definition: A student is tardy if not in their assigned seat/location and ready to learn when the bell rings.

Philosophy: The faculty and staff of Edison High School recognize that student achievement is directly dependent upon timely and consistent daily attendance. Tardiness not only interferes with the student's education, but also represents a behavior trait which will adversely affect the student's success in life. Being on time to class is an act of courtesy toward the teachers, staff and other students. Students must understand the importance of developing the habit of punctuality. There must be consequences for tardiness, but there must also be a strong effort by each person in our community to help students get to class on time.

The tardy policy at Edison High School is designed to promote better student achievement by: 1) Encouraging students to be on time to class; 2) Reducing the amount of instructional time lost to interruptions caused by students who arrive late to class and; 3) Involving students, parents, and staff as partners in finding solutions to student punctuality problems.

Tardy Policy

Students will be given the following consequences based on the number of tardies they have incurred during the current school year:

- o Tardy 1-3
 - Teacher defined level one consequence
- o Tardy 4-5
 - Teacher defined level two consequence
- o Tardy 5-7
 - Teacher defined level two consequence
 - 15 minute detention (before school, after school, during lunch)
- o Tardy 8+
 - Teacher defined level three consequence
 - 30 minute detention (before school, after school, during lunch)
 - Students are placed on the No-Go list until the detention is served.
 - Parent Contact by the teacher (must occur for all 30 minute detentions)
- o Tardy 8 and 15
 - SAP Referral to the counselor.

CLUBS & ACTIVITIES

WHY GET INVOLVED?

Getting involved in clubs, sports, work or other pursuits outside of the classroom can give you skills and help you learn about yourself- and can be fun

Here's something else you should know:

Extracurricular also play a part when you apply to colleges. This is because the things you do in your spare time reveals a lot about you- in ways grades or test scores can't. Your accomplishments outside the classroom show what you are passionate about and that you have qualities valued by colleges—Collegeboard.org

Extracurricular Activities & Program Offerings

SUSD Policies and Regulations Governing Student Activities/Participation

Rule 6145 states that a student must have earned 55 credits the previous year, including summer school, to be eligible for participation. Student must maintain a 2.0 GPA or better for the previous semester. There is a one-time probation period allowed regarding the 2.0 GPA, not the 55 credits.

Associated Student Body (ASB)

The ASB facilitates communication between students, teachers, administration and the Board of Education. Through representatives of classes, organizations and clubs, each student will have a voice in decisions in extra-curricular activities, school policies, social events, student welfare, student conduct and many other factors of school life. ASB serves as a tool to express concern over things which affect the school.

ASB Finances

ASB finances are the extra-curricular student revenue generated from donations, student payments, student fundraising and/or vending machine/student store sales. Each Advisor must deposit all funds and request payment of all expenditures through the student activities office at least two weeks in advance of the event. All events or fundraisers must receive written approval from student council/school administration before advertising and/or beginning the event. All expenditures must receive a purchase order number before making any purchases. Do not pay any expenses from cash collected.

All necessary forms are found in the student activities office. The ASB accounts are audited by internal and external auditors twice a year. Students checking out fundraising products are responsible for those products. Failure to return money or left over product will result in a student bill. Advisor is responsible for money lost or stolen. Anyone making a payment for personal use items or a donation must obtain an receipt from the staff member requesting the funds

Dances

Edison High School students may invite a guest by filling out a guest pass application found in the student activities office and adhering to the dances rules:

1. Any student who has been suspended during the two weeks prior to an Edison dance event will NOT be allowed to attend the dance— this includes ALL dances. That student's name will be placed on a NO GO list for the event.

2. Guests must be registered and approved by the EHS administration in the ASB office at least one week in advance.
3. All guests must be the ages of 14 (no middle school student) through 20 years old on the date of the dance.
NO EXCEPTIONS!
4. Students and guests must follow standards expected of EHS students in their dress code, behavior and dancing language.
5. No smoking, alcoholic beverages or drugs allowed at any school dance.
6. Good behavior and cooperation with guest and host/hostess is required. Failure to do so will result in both individuals being subject to disciplinary action, including being asked to leave the dance.
7. Guests/Students will not be admitted without a picture I.D, receipt/ticket and must be accompanied by the host/hostess.
8. All chaperones must be pre-approved, at least 25 years old, have clear fingerprints on file from the SUSD police dept. and a clear TB test on file.
No admission to a dance after 9:00 p.m. NO EXCEPTIONS!
9. No re-entry privileges.
10. NO REFUNDS! NO EXCEPTIONS!
11. Students may be refused entry (despite previous purchase of a ticket) for dress that does not follow the school dress code.

Work Permit Policy

1. Work permits will only be issued to Edison students who are currently enrolled.
2. Request for work permits can only be made from 7:10 – 12 p.m. with the Work Experience teacher in the C Building.
3. Students may only request a work permit during non-instructional time.
4. Students must have passing grades to be considered for a work permit.
5. Students must have fewer than 9 unexcused period absences in a quarter to be considered for a work permit.
6. Edison HS reserves the right to revoke any work permit from a student who fails two or more classes or has 9 or more absences during any given quarter. Students who fail 1st semester work experience cannot enroll in work experience 2nd semester.
7. Students may apply for Work Experience classes to obtain elective credit but must be approved by the Work Experience teacher and counselor. Classes are held every Wednesday before school, during lunch and after school.

Gym Lockers

Gym lockers are provided for students who are enrolled in a PE class free of charge. Lockers are the property of the school and are provided for students' convenience. The school retains the right to access the lockers at all times. Students are not to share or exchange lockers during the school year; therefore, students are responsible for anything that is found in their assigned locker. At no time is the school responsible for any items left in the locker. No personal possessions including backpacks and clothing are to be stored in any gym or weight rooms.

Athletics Eligibility

As a member of the California Inter Scholastic Federation and Tri-City Athletic League, any student who participates in any sport must conform to the eligibility requirements and daily attendance for athletic participation, as well as reside in the school's attendance area and/or have an approved IDA on file. The following sports are offered at Edison High by season: Fall Sports: cross country, football, girl's golf, boys' soccer, girl's tennis, girls' volleyball; Winter sports: basketball, girls' soccer, wrestling; Spring Sports: badminton, baseball, boy's golf, softball, swimming, track and boy's tennis.

Interested students must fulfill the criteria below:

Student Must Pass a Physical Examination

Students can take physicals with their own doctor or at the Edison Health Center (209-444-8300). Before any student can participate in any athletic activity, a physical clearance must be on file. They must have all textbooks turned in and not have a bill with SUSD.

Academic Eligibility

Academic eligibility for all extra-curricular activities within the district can be met by meeting the GPA rule from the previous semesters and either the 50 credits rule from the previous school year (or prior two semesters) or the in-line to graduate rule.

Grade Point Average (GPA)

In order to participate in extracurricular activities, at the time the activity begins, students must have an overall GPA of 2.0 or better from the previous semester. Under the GPA rule:

- For fall semester eligibility, grades from Spring semester of the previous school year will be used. Summer school grades will be included with Spring semester grades limited to 10 transferable credits from an accredited institution.
- For spring semester eligibility, grades from Fall semester of the current school year will be used. Summer grades are excluded from GPA.

- A student not meeting GPA requirement can apply for probation under the following terms:

Freshmen Eligibility

While incoming freshmen are not required to meet the 50-credit rule, since they haven't earned credits, they must meet the GPA requirement of 2.0 or better.

- Eligibility for Fall semester of freshman year will be determined by grades earned during Spring semester of eighth grade. Summer school grades may be included if Summer school was attended.
- Eligibility for Spring semester of Freshman year will be determined using grades from Fall semester of the current school year. Summer grades are excluded from GPA.

Each freshman will be allowed to use one semester of probation, which can only be used for either one of the semesters (not both) of his/her freshman year if he/she does not meet the GPA requirement.

- In addition to this initial freshman probation, each freshman is allowed to use one semester of “post-freshman probation”, if the “freshman probation” and the “post freshman probation” aren't used in consecutive grading periods.

Post-Freshman Probation

Students who do not earn an overall GPA of 2.0 or better for the previous semester have the option to choose a one-time, one-semester probationary period (in addition to freshman probation) for his/her entire high school career at SUSD.

- If a student chooses probation and fails to maintain a GPA of 2.0 or better in any future semester, he / she won't be eligible for extracurricular activity; probation is one-time, one-semester opportunity.
- Freshman probation and Post-freshman probation cannot be used in consecutive grading periods.

SJAA Sportsmanship

Edison has adopted “Victory with Honor”. A good sport is defined as “A person who can take a loss or defeat without complaint, or victory without gloating and who treats his/her opponents and officials with fairness, courtesy, and respect.” It is the intent of the league to eliminate all distractions which might tend to destroy the best values of sport and to stress the importance of fair play. This includes being courteous to officials, visiting teams, and fans.

We must remember to cheer for our team & not berate the visiting team, officials, and fans. It is the policy of SUSD that harassment and violence will not be tolerated under any circumstances. Harassment and violent incidents will be responded to in a manner that effectively deters future incidents. We firmly believe that all persons are to be treated with respect and dignity. SUSD is committed to pursuing “Victory with Honor”, a C.I.F. sponsored program in which our coaching staff make a commitment to developing student athletes of character.

The following behaviors are inappropriate and will not be tolerated at all CIF and SUSD contests: berating your opponent's school or mascot, berating opposing players, obscene cheers, gestures, or signs, noise makers, or complaining about officials' calls, taunting, trash-talking, and unsportsmanlike conduct are absolutely.

EDISON HIGH SCHOOL RESERVES THE RIGHT TO REMOVE ANYONE FROM ANY ATHLETIC EVENT WHO IS UNWILLING TO COMPLY WITH THESE GUIDELINES!

DISTRICT POLICY FOR SPORTING EVENTS

1. No Re-Entry.
2. Students must have ID.
3. Only students from participating schools are allowed entry.
4. No backpacks.
5. No red/blue clothing unless it's a school color.

Parent Involvement & Support Services

Local Requirement

To meet the local requirements of SUSD, students must meet either the 50 credits rule or the in-line to graduate rule. Entering seniors must have 165 credits minimum (150 credits for Edison High School students) to meet the in-line to graduate rule. The either-or rule is not in effect for entering seniors since they must meet both criteria.

50 Credits Rule

In order to participate in extracurricular activities, at the time the activity begins, a student must have completed (with a passing grade) at least 50 credits in the previous school year or the immediate previous two semesters. Under the 50-credit rule:

- For fall eligibility, the student must count the fall and spring semesters of the previous school year and may include summer school at the end of the spring semester.
- For spring eligibility, the student must count the preceding fall and the spring semester of the previous school year. He/she may include summer school at the end of the spring

semester, if any was taken. Probation cannot be used to circumvent the 50 Credit Rule. A decision based on this rule cannot be appealed.

In Line to Graduate Rule

To be eligible to participate in extracurricular activities, a student must be in-line to graduate as determined in the beginning of the fall semester of that year.

School Site Council (SSC)

SSC serves as part of the governing body of Edison High School. This council is composed of parents, students, teachers, the Principal and other school staff. Members are elected to represent each sector. Please contact the principal's secretary if interested.

English Learner Advisory Committee (ELAC)

ELAC is an advisory body of the SSC. The council is composed of parents and staff representative of either the English Learner and/or Title I programs. Members are elected by their respective parent groups and meet quarterly to discuss and make decisions about the English Learner Program.

Lost and Found

Anyone finding books, backpacks, clothes or other articles is requested to return these articles to the reflection center (Room 76).

Telephone / Student Messages

School telephones are to be used for school purposes only during the school day. There are phones in the offices that students may use for emergencies. Messages or deliveries of a non-emergency nature will not be delivered to students.

Use of Restrooms

Restrooms are located conveniently around campus. It is an expectation that students use the restroom between passing periods or during lunch to minimize the loss of instructional time. During class time, all students must wear a restroom vest outside of class to use the restroom. Students have a responsibility to leave the restroom in a neat and orderly manner.

Other Important Information

Cafeteria / Free Lunches

The cafeteria provides meals/snacks before school, during lunch and after school. The cafeteria will provide food services to all students for free or at a reduced price, depending on eligibility. Students must present an ID when prompted to do so by the cafeteria staff in order to receive meals. For more information, contact the cafeteria office.

Food Deliveries

Food deliveries to students by any business are NOT ALLOWED. If a parent wishes to drop off food for their child, they must arrive within five minutes of when lunch begins, park off campus, and walk inside the office, where they must wait for their child to pick up the food during lunch. Food will not be held by staff members so please do not ask them to do so.

Illness and Medicine

Administering any medicine to students can only be done by health center staff. Any medicine needing to be administered at school should be done as follows:

1. Written order from a physician detailing the name of the drug, dosage, and time interval medications are to be taken.
2. Written permission from the parent or guardian of the student requesting that the school comply with physician's orders.
3. Medications must be brought to school in a container appropriately labeled by the pharmacy or physician and given to the nurse to be kept in the Health Center.
4. If a student needs an inhaler, they must notify the health center and provide an extra inhaler to be left there in case of an emergency.

Bus Transportation

The purchase of a bus pass is the sole responsibility of parents and students. Students may be provided with bus transportation if they qualify under district guidelines.

Automobiles on Campus

All drivers are expected to comply with regulations listed below. These regulations are reasonable and are for the protection of the entire student body.

1. No "hot rodding" near school campus at ANYTIME! NO EXCEPTIONS!
2. Center Street parking lot is for teachers only.
3. Students must have a valid driver's license and must obtain a parking permit to park in parking lot.
4. Students may not loiter in parking lot at any time.
5. Students taking part in activities after school must not move their car until activity is over.
6. Students are not to use cars for errands during school time.
7. The Board reserves the right to revoke the above policy or refuse any student the permission to drive.
8. Students are not permitted to drive on campus.
9. The Turnpike parking lot is the only lot available to students.
10. The parking lot is open from 6:30 am to the first bell, then again at the end of the academic school day.

11. If a student needs to leave campus during the day, special permission must be obtained by the administration.

Visitor Policy

Uninterrupted quality classroom instruction is a top priority at Edison. For that reason, we do not allow students to bring visitors on campus. People with legitimate business are requested to report to the main office upon entering the building during regular school hours. Visitors must provide a photo ID to obtain a visitor's pass. Trespassers or violators will be cited and arrested in accordance with the law.

Classroom Visitations:

511.01 (d) "The parents and guardians of pupils enrolled in public schools have the right and should have the opportunity... to participate in the education of their children, as follows: Within a reasonable period of time following making the request, to observe the classroom or classrooms in which the child is enrolled or for the purpose of selecting the school in which their child will be enrolled in accordance with policies and programs."

For classroom visitations, Edison has defined a reasonable amount of time to be 48 school hours.

Small Children

Small children are not allowed on campus without permission from the principal. Students who are parents may bring babies or small children to school only if they are enrolled in the Head Start or Preschool programs. The school or any of its staff are not responsible for any injuries that may occur.

Distance Learning

If students haven't obtained their school issued chromebook the last school year (2020-2021), they will be able to pick up their chromebook from Edison prior to the beginning of the school year. An announcement will be made to all students and parents about times/dates of pickup.

Student Access

Tentatively, Edison students will be returning to In-Person instruction in the Fall of 2021 pending CDC guidelines. Should Distance Learning reconvene, students will need to log into Google Classroom to obtain their virtual classes that their teachers have set up. Below is a step by step instruction on how students can access their Google Classroom.

Step 1:

Log into the SUSD district website at: <https://www.stocktonusd.net/stockton>

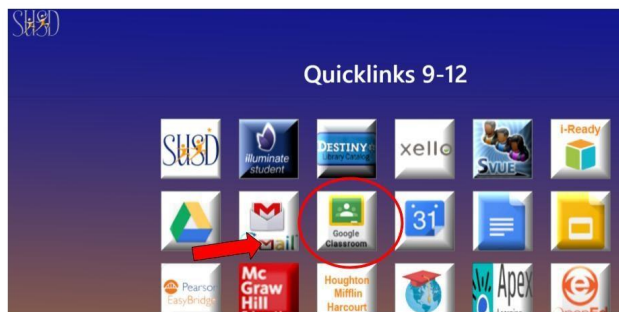

Step 2:
Click on the link “Students”

Step 3:
Click on the link “Quicklinks - High School”

Step 4:
Click on the Google Classroom Icon

Step 5:
Log into Google Classroom using your SISnumber@stocktonusd.org as the username and the initial password is set to your birthday as MMDDYYYY.

Parent Access to classes and grades

Google Classroom

To check on your students Google Classroom and work load you must be logged into your students Google Classroom. Your student's username is SISnumber@stocktonusd.org and the initial password is set to their birthday as MMDDYYYY.

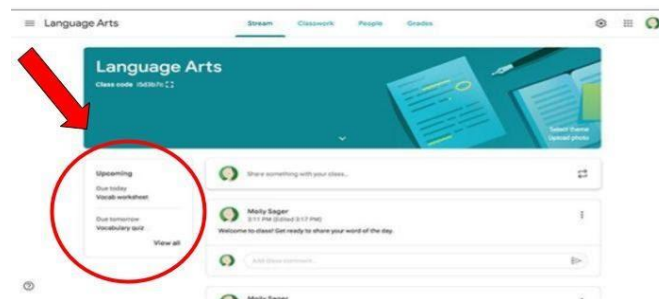

Step 1:

After logging in, click on a specific class (example classes below).

Step 2:

Look for the section titled “Upcoming” on the left side of the classroom. This area informs students of what work is upcoming or is due soon.

If you are unable to access your student’s Google Classroom account or need to contact their teachers, you can email them directly by clicking on the teacher name in Parent Vue. You can also email your students counselor for more information.

Synergy Access

StudentVUE/ParentVUE

To access to ParentVue/StudentVue, please visit this website: <https://sis.stocktonusd.net/>. Click on "Family" from the dropdown menu then "ParentVue". Once there, click on either "I am a Parent" or "I am a student" and follow the directions.

Current SUSD students will enter their information as follows:

User name: SUSD Student ID Number

Password: YYYYMMDD

This is where the Schedule of Classes will be located.

StudentVUE is a web portal allowing students to access near real-time information on assignments, scores, attendance, and demographic information. This application will help students stay informed and connected by providing day-to-day insight of their academic experience.

To set up your **StudentVUE**, you must see your counselor.

ParentVUE is a web portal allowing parents to access near real-time information on assignments, scores, attendance, and demographic information. This application will help parents stay informed and connected by providing day-to-day insight into your child's academic experience.

To set up your **ParentVUE**, you must see Irma Vargas in the registrar's office and bring your government issued ID.

EDISON HEALTH CENTER

Located off of Center Street

The Edison Health Center has been serving Edison students since 1993. The center is a licensed community clinic and provides a wide variety of services for teens. Students are encouraged to stop by the center to schedule an appointment or call (209) 444-8300 to speak to a staff member who can answer questions and make referrals. The Edison Health Center is located on campus near the tennis courts. The center is staffed by doctors, nurses, health educators, and mental health counselors.
