

Who Sponsors Math Easy Tutoring?

San Joaquin County
Office of Education

Satinder Singh, Director of Mathematics
ssingh@sjcoe.net
(209) 468-9177

What do students say?

This is really helping me and I am really grateful that these people are here and willing to help me for free.

This was the best tutoring I have ever had.

I think that this program is good because you have one on one conversation with your tutor and they explain it slow with examples.

Who are the Tutors?

Math Easy Tutors are community members with mathematics expertise as well as students from local schools.

The adult volunteers come from various businesses, agencies and educational institutions in San Joaquin County.

All adult tutors have been screened for TB and have received criminal clearance. Tutors donate an average of six hours per month.

New tutors are always being sought. Please call (209) 468-9177 should you wish to investigate joining the program as a volunteer tutor.

WHERE and WHEN is Math Easy Tutoring?

Margaret K. Troke Library
502 W. Benjamin Holt Drive
Stockton, CA 95207

Program hours are:
**Tuesday - Thursday 4 to 6
p.m.**

**Tutors are available
Mid-August – Mid-November
January - May**

How can tutoring time be maximized?

- ⇒ Bring text books when possible and clear explanation or written description of assignment.
- ⇒ Eat all snacks or food before arriving at the tutoring site.
- ⇒ Ask friends and family to wait outside of tutoring area.
- ⇒ Ask classmates, teacher, or help sources at school FIRST.
- ⇒ Seek help early, instead of waiting until you do poorly on a test.
- ⇒ Be prepared to wait until tutor is available if necessary.
- ⇒ It is best to arrive early.

What is Math Easy Tutoring?

Math Easy Tutoring is a **free drop-in program** for any San Joaquin County 6th - 12th grade student needing help with mathematics. Community tutors volunteer their time at the Margaret K. Troke Library 502 W. Benjamin Holt Drive in Stockton. Tutors help with basic math, algebra, geometry and higher level math when needed.
