Taylor Leadership Academy has first SUPER RECESS to promote attendance

Coming to school is very important. In an effort to increase attendance Taylor school has started a monthly super recess. I bet you are thinking "wow that sounds cool!". Well, you would be right! Super recess is open to all students who come to school 95% of the time that month. At the end of every month all students who have been to school 95% of the month will get to attend SUPER RECESS.

The first super recess included a lot of fun activities and PE equipment. We got to do go kart racing, play with bean bags, and run relay races with our classmates. We also got to play bumble tag, Frisbee dunk, and jump rope. During super recess we got to listen to music and be outside playing! Thank you to Mrs. Brown, Mrs. Abellana-Delvo, and Mrs. Miles for setting up a fun time for us. We hope that everyone comes to school 100% of the time so they can have fun at super recess.

APTT Parent Conferences Starting in January 2017

Parents of Taylor you have a chance to talk to your child's teacher one-on-one starting in January. Make sure you talk to your child's teacher about when you will be able to meet them. You will learn about MAP scores and other information about how your child is doing in school. Make sure you are there!

AVID Corner

Thank you to those families who came to our second AVID parent academy. It is great for parents to come and learn the same things we are learning at school so that they can help us at home. At every parent academy we raffle a Kindle Fire tablet to someone who brought their family. We will have two more this year!

Winter Math/Science Family Night

On December 15th from 2:45 to 4:15pm Taylor is hosting a fun math/science night for all Taylor families. There will be winter themed activities for students to do as well as hot chocolate and a raffle. Please bring your family to enjoy all the fun! Hope to see you there!

Character Trait

The character trait of the month is compassion. Compassion is all about caring about one another and showing kindness to everyone you are around. Be compassionate every day!
