Edition 2, Volume 1

Week of August 21, 2017

From the Principal... Dr. Spessard

I had the pleasure of meeting with each class individually over the past week and reviewing our behavior expectations. Our entire school community has made the collective commitment that we are going to abide by the following expectations:

Safe

Observant

Act Responsibly

Respect

The logo consists of the word "SOAR" in a bold, blue, sans-serif font, enclosed within a thin black rectangular border.

MAP Testing

Students are continuing to take the Measure of Academic Progress. This is a computer adaptive test that helps teachers guide instruction. We encourage all our students to do their best. It is imperative that students come to school on time every day and are ready to show what they know.

IB Coordinator's Corner

Hello PYA Families!

This year at PYA we want to know more about how your children take learning beyond the classroom! In the IB world we call that taking action. Anytime your child does something based on their learning from school, that is action. It could be something big or something small. It doesn't have to be complicated. Your child could do more research on a topic they learned in school. They could want to organize a group to clean up a local park. It all counts! To celebrate this movement we are sending home a slip of paper today for you to fill out and return to school whenever you see your child taking action. The paper will also be available on our website under the Coordinator's Corner page at <http://www.stockton.net/domain/1253>. Or you can pick up a copy at the front office! We can't wait to hear from you!

Thank You to the Fabulous FALCONS
