IB Coordinator's Corner

Hello PYA Families,

This week our IB Family Meetings will focus on the Growth Mindset. The idea of Growth Mindset comes from Carol Dweck's research on how people persist on skills to make improvements and become better at those skills. An example of a Fixed Mindset would be saying things like "I will never be good at math". Having a Growth Mindset is looking at areas where you need more practice and putting forth the effort to improve. Come to this week's IB Meetings to learn more about how we use the Growth Mindset here at PYA.

IB Family Meeting Wednesday, February 7, 2018 8:15 am or
Thursday, February 8, 2018 5:00 pm.

Hope to see you there!

Hola familias PYA,

Esta semana nuestras Reuniones Familiares del IB se enfocarán en la Mentalidad de Crecimiento. La idea de Growth Mindset proviene de la investigación de Carol Dweck sobre cómo las personas persisten en sus habilidades para mejorar y mejorar sus habilidades. Un ejemplo de una mentalidad fija sería decir cosas como "Nunca seré bueno en matemáticas". Tener una mentalidad de crecimiento es mirar las áreas donde se necesita más práctica y esforzarse por mejorar. Ven a las Reuniones IB de esta semana para aprender más sobre cómo usamos la Mente de Crecimiento aquí en PYA.

Reunión familiar del IB Miércoles, 7 de febrero de 2018 8:15 a.m. o
jueves, 8 de febrero de 2018 a las 5:00 p.m.

It is that time of the year, if you live outside of Stockton Unified School District (SUSD) you must complete the Inter-District Transfer Request form for the 2018-2019 school year, which is available at your home district.

The primary factors considered are the attendance, behavior and academic history of the student and/or the space available in the requested school/program.

IDA's must be received at Child Welfare and Attendance (CWA) office for review between February 1, 2018 and April 1, 2018. Applications received after the April 1st deadline may only be considered if space is still available at the grade level at our school.
