## IB Coordinator's Corner

Hello PYA Families,

One of the main goals of the IB program is to develop global citizens that are internationally minded. Being an internationally minded person is someone who demonstrates the IB Learner Profile Traits. On Friday, September 21, 2018 PYA will join many other schools across the world for International Day of Peace. This is a day to reflect on our actions and explore ways that we can get together to be kinder to each other. This ties to all of our Learner Profile Traits: inquirer, knowledgeable, thinkers, communicators, principled, open-minded, caring, risk-takers, balanced, and reflective. Talk to your child about how they can be a more peaceful person using the traits.

Students may wear yellow on Friday, September 21, 2018 and will participate in "Poem in your Pocket". They will read and/or write poems about peace and share with other students throughout the day.

Go Falcons!

Hola familias PYA,

Uno de los principales objetivos del programa IB es desarrollar ciudadanos globales con una mentalidad internacional. Ser una persona de mentalidad internacional es alguien que demuestra los rasgos del perfil de alumno del IB. El viernes, 21 de septiembre de 2018 PYA se unirá a muchas otras escuelas en todo el mundo para el Día Internacional de la Paz. Este es un día para reflexionar sobre nuestras acciones y explorar formas en que podemos unirnos para ser más amables. Esto se relaciona con todos nuestros Rasgos del perfil del alumno: indagador, conocedor, pensador, comunicador, principiante, de mente abierta, afectuoso, arriesgado, equilibrado y reflexivo. Hable con su hijo acerca de cómo pueden ser una persona más pacífica usando los rasgos.

Los estudiantes pueden usar amarillo el viernes, 21 de septiembre de 2018 y participarán en "Poema en su bolsillo". Leerán y / o escribirán poemas sobre la paz y compartirán con otros estudiantes durante el día.

¡Ve a Falcons!

## Attendance Percentage for the Month of August

Kindergarten	99.04%	1st Grade	96.60%
2nd Grade	96.42%	3rd Grade	96.22%
4th Grade	98.51%	5th Grade	98.70%
