IB Coordinator's Corner

Hello IB Families,

Part of the five essential elements of the IB program are Attitudes. A question we ask ourselves when we teach our students is what do we want our students to feel, value and demonstrate when they are learning about all of the things going on around them? In every Unit of Inquiry students will explore different attitudes. Those attitudes will help students become the global learners that is expected from all IB students. The attitudes are appreciation, commitment, confidence, creativity, curiosity, empathy, independence, integrity, and respect. Look for these attitudes in your child at home!

Hola Familias del IB

Parte de los cinco elementos esenciales del programa del IB son Actitudes. Una pregunta que nos hacemos cuando enseñamos a nuestros estudiantes es qué queremos que nuestros estudiantes sientan, valoren y demuestren cuando están aprendiendo acerca de todas las cosas que suceden a su alrededor. En cada unidad de encuesta los estudiantes explorarán diferentes actitudes. Esas actitudes ayudarán a los estudiantes a convertirse en los estudiantes globales que se espera de todos los estudiantes del IB. Las actitudes son el aprecio, el compromiso, la confianza, la creatividad, la curiosidad, la empatía, la independencia, la integridad y el respeto. ¡Busque estas actitudes en su hijo en casa!
