Falcon Flyer

Every morning, students can participate in the Morning Mile program from 7:00-7:30 am. During the Morning Mile, students will walk or run laps to earn footprint charms for their necklaces and get some exercise to help jumpstart their day. Students that arrive at school at this time are expected to walk or run as part of the program. Please help us and remind your child of the expectations.

Morning Mile 7:00-7:30 am
Breakfast 7:30-7:55 am
School starts 8:00 am

Please note that all students should go to the cafeteria from 7:30-7:55 am as there is no supervision on the yard. Only students with their parent or guardian may wait for morning announcements on the yard. Help us keep our students safe!

IB Coordinator Corner

Learner Profile Trait for the month of September:

Inquirer

Inquirer (to the tune of "The Farmer in the Dell")
Inquirer am I
Inquirer am I
Hi, ho, I'm curious
I learn by asking why.

How can you help to develop Inquirer traits?

Model being an inquirer. Showing your child what to do when you want to find an answer will help them become inquirers. When you don't know the answer to a question, research the question with your child. This helps them see that everyone is an inquirer.

Happenings at PYA
