Also available in Spanish!

## What parents are saying

"I'm more informed about what's going on and where my child should be in every grade which is very helpful in decision-making when it comes to homework and school."

— Mother of a 5th grader from a low-income household

## What research shows

Research shows that when parents receive the grade-by-grade newsletter, parent engagement improves:

- **82% said** the newsletter influenced their opinions or behavior.
- **85% reported** taking specific actions based on what they read.

From Kindergarten through 12th grade, grade-by-grade newsletters help parents learn:

- Research-based strategies to support your child's social-emotional, physical, and academic development.
- Positive ways to influence behavior.
- Effective ways to communicate with teachers.
- Easy and effective learning activities, grade-appropriate book ideas, interesting videos and other free resources.
