NEW BSR OPTION (AB 130) - CAN USE IMMEDIATELY AND FOR ANY EDUCATOR THAT NEEDS BSR (CL-667):

The Following Coursework Is Acceptable:

- Earn a grade of "B" or better (B- would be acceptable)
- Have been taken at a regionally accredited college or university (can be community college, out-of-state college, foreign transcript evaluation). Foreign transcript evals can be used to meet this requirement - course work must in the English language (or be listed as English literature or English Language, etc.)
- Three semester units (or equivalent quarter units)
- Been taken for academic credit (earned units), pass or credit will be accepted (if transcript key provides equivalence, then make sure pass/credit is B- or higher). Some colleges only have pass or fail (no letter grades) so pass would be ok.
- Be degree applicable (AA degree applicable or graduate level is OK). If transcript is from a 4-year college -course title must be listed or get community college transcripts.
- For Reading, be in the subject of critical thinking, literature, philosophy, reading, rhetoric, or textual analysis
- For Writing, be the subject of composition, English, rhetoric, written communications, or writing
- For Mathematics, be in the subject of algebra, geometry, mathematics, quantitative reasoning, or statistics (can use a higher-level math like Calculus because other math would be a prerequisite)
- A single course may be used to meet both the reading and writing requirement (obtain a letter from the English department chair where both courses were taken that confirms that the single course included significant content in both reading and writing). If course is in rhetoric, then can be used for both.
- Course in rhetoric automatically meets reading and writing with no letter needed.
- Will accept other courses if the registrar or relevant department chair provides written documentation in support
- More than 1 course can be used to meet the unit requirement
- Accept 41-BSR form, letter, etc. from CTC approved programs (mix and match) - must be signed by authorized submitter
- RC renewal codes can also use this option
- No recency requirement and no sunset date

The Following Coursework Is Not Acceptable:

- Professional development or continuing education units
- In-service training or workshops
- Courses where credits do not apply toward the requirements for an AA degree, BA degree, or higher degree
- No remedial courses
