

8th Grade Promotion Speech

Cecilia Mendez, Trustee, Area 1

It is with great honor that I have the privilege of participating in this 8th grade promotion ceremony with you today.

With planned preparation and a valued education, you can always expect success to be the outcome. With an ambitious mind set and a clear idea on what you want to achieve, you can make plans to reach your goals. It is important to write down your goals and dreams or have it etched on your mind until you accomplish it. Having an optimistic attitude, determination, perseverance, confidence and ambition will help you defeat many unforeseen challenges as you strive to fulfill your educational goals. I encourage you to continue your advancement to a successful future and know that you can achieve anything when you believe in yourself.

I formally accept the 8th grade promotion Class of 2021 and now direct staff to begin the awarding of certificates.
