

Families In Transition

Educational Advocacy & Student Support
for Families Experiencing
Transitional Housing Barriers

What is Families in Transition?

The SUSD Families in Transition program supports families with current SUSD enrolled children who are experiencing barriers in educational support.

This program is designed to identify children in need to assure they receive an adequate education, are able to participate in school events, extracurricular activities, and attend school regularly as per McKinney-Vento Federal Law.

SERVICES PROVIDED

School enrollment assistance
Assisting in the determination of school of origin or school in the best interest of the child
Academic advocacy
Transportation support
Extracurricular/Sports participation support
Resource & referral
