Dear Parent/Guardian,

We would like to welcome you back to the 2018-2019 school year. The first day of school is Thursday, August 2<sup>nd</sup> and school begins at 7:50 AM. We will continue with our uniform policy for the 2018-2019 school year and the complete policy will be included in the welcome back packet.

During the summer, we had two major modernization projects on campus; a new roof for our school and an irrigation system to automatically water the new trees we planted last year and our grass. Due to these projects, our school has been under construction for the entire summer. The roofing project is almost completed and is projected to be done by July 26<sup>th</sup>, 2018.

The office will be open July 18<sup>th</sup> through the July 20<sup>th</sup> from 7:30 AM to 3:00 PM. However, due to the construction, the office may be closed and access for parents will be in Portable 1 which is on the far end of Sonora and Fresno by the staff parking lot.

From Monday, **July 23<sup>rd</sup> to Wednesday, July 25<sup>th</sup>** the roofers will be coating the roof with an over-spray to seal the roof. The wind can blow this spray and in order to ensure the safety of all, **there will be no access to the main office on July 23<sup>rd</sup> to July 25<sup>th</sup>. In addition, there will be no parking in front of the school and please refrain from walking in front of the school, instead parents must enter in the back parking lot to get to Portable 1.**

On July 23<sup>rd</sup> and July 24<sup>th</sup> the office staff will be located in Portable 1 (please enter by the back parking lot). On July 25<sup>th</sup> the office staff will be in a training off-site and there will be no staff available to assist parents. **The main office will re-open for regular business on Thursday, July 26<sup>th</sup> at 7:30 AM.**

We appreciate your understanding and cooperation for the finalization of the roofing project and look forward to a great new school year.

Thank you,

*Shanna Laney, Principal*
