Subject: Incorrect Rebate rate for 2021

Due to an error in the information included as part of the Collective Bargaining Agreement listed on the District website, incorrect rate amounts were reflected on the 2021 STA Benefit rate sheet. The Medical Rebate amounts for employees hired before June 30, 2015 should reflect \$666.00 for 12-month employees and \$726.55 for 11-month employees. The revised rate sheet is now available on the District website.

This resulted in the wrong amount being paid on your December 2020 warrant. We have corrected this by included the additional amount owed for December on your January 2021 warrant.

The District apologizes for the confusion this error may have caused.

If you have any questions, please call the benefits department at ext. 7026.
