

### Table 3: Transition to Rigorous Graduation Requirements for the Class of 2027

Having rigorous graduation requirements for all students that match university admission expectations better prepares graduates for more opportunities. Therefore, Board Policy 6146.1 is being implemented to increase graduation expectations and to align high school graduation to the University of California’s A-G requirements. The rigorous graduation requirements will require the class of 2027 to earn 230 credits to graduate and complete **2 years of World Languages (in the same language), 1 year of Arts, and 1 year of College Preparatory Electives**, as well as any additional SUSD graduation requirements, with a passing grade. Note: Starting with the class of 2027 and beyond, Visual Performing Arts (VAPA) will be called “Arts”.
