December 31, 2020

Dear Stockton Unified Staff Members,

In an effort to minimize exposure, given the current health concerns in San Joaquin County and the Governor's extension to the Stay-at-Home order, we ask our supervisors to work with their teams to institute a rotating work schedule beginning January 4, 2021 through January 29th. It is critical that we safely work as a team to ensure our campuses are ready to welcome staff and students back once it is deemed safe.

The only groups exempt from this include:

- Staff members who cannot perform their duties remotely (e.g. - custodians, maintenance and operations, Child Nutrition/Food Services, and Police) will continue to be on rotations to ensure services for our community and to ensure employee safety. This will mirror our work prior to Winter Break.

If you are able to work remotely, please continue to do so. If you are a teacher who provides distance learning from your classroom, please continue to follow health and safety guidelines while working on site.

The District will reassess the situation and resume normal physical reporting to work once the Stay-At-Home Order is lifted.

If you need support to be able to work remotely, please reach out to your supervisor ASAP.

COVID-19 Information

Stockton Unified will continue to monitor the development of COVID-19 (coronavirus) and will plan accordingly, in partnership with local, state, and federal health and government officials. Stay up to date from SUSD regarding the pandemic on the district website at www.stocktonusd.net/COVID-19, where we continue to add resources and post updates as we learn more.

We remain committed to providing updates daily in this rapidly evolving matter. In the meantime, for any questions pertaining to your work status, please contact Risk Management at (209) 933-7110 ext. 2550.

Thank you,

Brian Biedermann,

Brian Biedermann
Interim Superintendent
