Re: Online Self-Monitoring Screening System

SUSD staff:

On Monday, October 19, 2020, the District will be implementing a completely online self-monitoring screening questionnaire to be completed by all **employees** prior to reporting to work. A custom link to complete your daily questionnaire will be emailed directly to your District (.net) email address; the questionnaire can also be completed by visiting www.stocktonusd.net/screening and inputting your employee ID number.

This new online self-monitoring screening system will aid District personnel in managing potential COVID-19 exposures and any positive cases. The safety of our staff and students is our top priority, and we must remain vigilant as we work to reopen schools. Please remember this is a process and currently we are working only on the staff portion of the Self-Monitoring Screening System.

For questions, please contact Chris Anderson at ChrisAnderson@stocktonusd.net or Bernadette Bettencourt at bbettencourt@stocktonusd.net. We are working to support all of our SUSD stakeholders thank you for your patience and participation in this new online system.

Enjoy your weekend!

Respectfully,

Katrina Johnson León, Ed.D.
